OVERVIEW

The 2019 Viking 44 Convertible presents itself as an exceptional midrange convertible sportfisher, fusing refined accommodations with functional prowess for family cruising and tournament grade offshore angling. Propelled by straight shaft Volvo diesel engines, she imparts confident speed and admirable economy, and a Seakeeper gyro stabilizer steadies the flybridge motor yacht to ensure a smooth, quiet ride through bluewater chop.

DETAILED DESCRIPTION

Description

The 2019 44 Viking Convertible stands at the pinnacle of the mid-size convertible class, equally at ease whisking the family away for a weekend or running hard to the canyons for a serious bite. Her straight-shaft Volvo D13 1000 hp engines deliver brisk, confident performance with impressive efficiency, while the SeaKeeper SK 6 gyro stabilizer keeps the ride composed and guests relaxed even when conditions turn rough. Inside, a high-gloss teak interior sets a warm, luxurious tone, complemented by Amtico flooring at the salon entrance and across the galley sole. A fantastic two-stateroom, two-head layout maximizes comfort and privacy, making longer cruises effortless and enjoyable. Adventure-ready and comprehensively outfitted, this late-model Viking represents exceptional value with meaningful savings over a new build, yet without compromise on equipment. On the bridge, three Simrad EVO3 multi-function displays integrate chart plotter, radar, and sonar functions, paired with a dedicated Simrad radar, a Simrad autopilot, a Furuno RD33 data display, and two Icom 506 VHF radios for crisp communication and precise situational awareness. Entertainment flows through a Fusion stereo system with JL Audio speakers, while an ACR spotlight and underwater lights extend your confidence and ambiance into the night. Purposeful details abound for both fishing and cruising: a refrigerated cockpit step box and a cockpit bait freezer keep provisions and baits perfectly staged; 24V fuel priming pumps simplify starts; and Sea Star Optimus power steering sharpens handling at every speed. Reliable onboard power arrives via an Onan 13.5 kW genset, ensuring hotel-level comfort wherever you roam. Impeccably equipped and maintained, the 2019 44 Viking Convertible is the opportunity you don't want to miss—see her in person and feel the difference.
