## OVERVIEW

---

Considering the 40–50' sportfish segment, this 2012 Cabo 44 HTX warrants serious consideration, a bluewater express that fuses tournament-capable systems with refined cruising appointments. She is propelled by twin Caterpillar C18 engines, each rated at 1,015 hp and presently showing roughly 1,925 hours; the 2,000 hour service has been completed and fresh aftercoolers and heat exchangers are installed, leaving the propulsion package ready for immediate, reliable use. Recent enhancements bolster her seakeeping and performance, among them a matched pair of Seakeeper 4.5 gyro stabilizers added in June 2025 with warranty, a fully renewed exhaust system with new risers installed by DeAngelo's Marine Exhaust in Fort Lauderdale in 2024, and Zipwake trim control for crisp, controlled running attitude.

The hull finished in Awlgrip Craft Light Blue in 2021 accentuates the yacht's elegant silhouette while a modern electronics suite keeps you connected and aware offshore: updated Garmin navigation topped by a dedicated 12" screen above the cockpit grill, FLIR thermal night vision, and Starlink satellite connectivity. Built for hardcore anglers yet appointed for gracious passages, this hardtop express arrives comprehensively outfitted: a bespoke teak package stretches across the helm deck, cockpit, mezzanine, and covering boards, with teak refinished in August 2025; a refinished Release Marine battle saddle and custom triple Release helm chairs form the fighting station; and tournament essentials are all present—an Eskimo ice chipper, a livewell with viewing window and removable tuna tubes, 24V electric reel outlets, a bait fridge/freezer under the mezzanine, a cockpit grill, and a handheld shower. Creature comforts and entertainment are equally considered: a 32K BTU helm air-conditioning unit, dimmable interior and exterior LED lighting, a reclining bow sun pad with bimini, a new four zone Fusion stereo, and new batteries

provide relaxed cruising and lively social spaces. Longer passages are supported by a watermaker, and anchoring is straightforward with a plow anchor and windlass supplied with 50' of chain and 400' of rode. Below decks, the two stateroom arrangement delivers the fit, finish, and livability for which Cabo is known, offering generous overnight accommodations for weekend getaways or tournament lay days.

This bluewater express sportfishing yacht balances speed, stability, and refinement in a turnkey package. Conveniently located at Liberty Landing Marina in Jersey City, she is easy to inspect. Sportfish. Express. Hardtop Express. Offshore. Bluewater. Tournament. Fishing Yacht. Luxury Motor Yacht.
