# DETAILED DESCRIPTION

---

## Overview

---

Introduced with the purposeful confidence of a true cruiser, the 2000 Silverton 442 Cockpit Motoryacht "Fantasea" is a compelling choice for adventurers planning the Bahamas or the Great Loop, combining a rare cockpit configuration in the Silverton motoryacht line that adds welcome versatility and private access to the aft cabin with evidence of diligent care throughout. Power is supplied by twin Cummins 6BTA diesel engines, while an 8 kW Kohler diesel generator provides dependable electrical support for extended comfort away from the dock. Designed for lengthy time aboard, her accommodations include two generous staterooms, forward and aft, each appointed with an en suite head and a true stand up shower, and the inviting salon flows gracefully from an L shaped sofa to starboard and an entertainment center to port into a fully equipped galley and dinette with seating for the whole family. The galley is comprehensively outfitted with a refrigerator and freezer, microwave, oven, cooktop, sink and Corian solid surface countertops, and onboard systems further enhance autonomy and livability with air conditioning, heating, hot water, an electric head and a marine head, a washing machine, an electric bilge pump, a sea water pump, a battery charger and a bow thruster to simplify close quarters maneuvering. On deck the aft deck transforms into an all weather retreat fully enclosed with clear Eisenglass and appointed with ample seating, a wet bar and an icemaker—ideal for entertaining under way or unwinding at anchor—while the flybridge, seating six in comfort, centers the helm around full engine instrumentation, twin Garmin XSV multi function displays, a Garmin autopilot, a Standard Horizon VHF and a Fusion Bluetooth stereo that, together with cockpit speakers, carries rich sound throughout the boat. A comprehensive electronics and

entertainment suite rounds out the specification with autopilot, depthsounder, compass, GPS, plotter and radar, along with radio, CD player, DVD player, a flat screen TV and a separate TV set, and practical exterior details—cockpit cushions, a cockpit shower, davits, an electric winch, a swimming ladder and a tender—underscore Fantasea’s ready to go spirit and make this Silverton 442 an inviting platform for memorable cruising.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
