OVERVIEW

ROLLER COASTIN’, a 2006 SEA RAY 44 Sedan Bridge, combines signature Sea Ray styling with dependable Cummins diesel performance and inviting cruising comfort. Finished in an attractive pewter hull and always kept under cover, she is powered by twin Cummins QSC 500s and equipped with a bow thruster. Her interior has been professionally designed and furnished, reflecting a thoughtful, decorator-led touch.

DETAILED DESCRIPTION

Boat Highlights

ROLLER COASTIN', a 2006 SEA RAY 44 Sedan Bridge with 44 ft LOA, presents a pewter hull, twin Cummins QSC 500 diesel engines with approximately 1,130 hours, and an Onan 9 kW generator with approximately 2,512 hours. The yacht has been kept in a covered slip and benefits from an interior redecorated and furnished by an interior decorator. Accommodation comprises two private staterooms, two full heads with separate walk-in showers, and a U-shaped lounge that converts to a sunpad on deck. Propulsion and handling features include twin Cummins diesels and a bow thruster. Deck equipment includes a Magma barbecue grill and a soft-top on an aluminum frame, whose soft-top set and mesh-bottom underside were completely replaced in 2023; a complete 40-gauge Strataglass bridge enclosure was installed in 2023. Luxury Vinyl Plank (LVP) flooring was installed in 2024.

Significant electronics and audio upgrades completed in 2020–2021 include a Garmin GPSMAP 8612xsv multifunction display with built-in sonar and BlueChart G3 Coastal and LakeVu G3 Inland maps, a Garmin GPSMAP 8612 multifunction display with BlueChart G3 Coastal and LakeVu G3 Inland maps, a custom dash panel with gauge and port-side panels, Garmin GMR 424xHD2 4 kW, 4-foot open-array radar, Garmin Reactor 40 autopilot with remote control, Garmin GPS 19x NMEA 2000 antenna, and Garmin VHF 315. Additional electronics include Sitex MDA5 Class B AIS with external antenna, DirecTV, and an Axis 4MP IP infrared outdoor camera.

Audio upgrades comprise a Fusion Apollo MS-RA770 four-zone marine stereo with Fusion NRX300 wired remote; JL Audio components including an 8-channel marine amplifier, XD400 four-channel amplifier, M400/4 four-channel amplifier, C5 6.5-inch coaxial speakers, M6 series speakers and

subwoofers with LED lighting and white sport grilles (M6 10-inch subwoofer, M6 8-inch subwoofer, two M6 7.7-inch marine speakers, M6 8.8-inch enclosed speakers), and an 8W3V3 enclosed ported microsub.

Maintenance has been performed monthly, with recent service in May 2026 including engine oil, oil filters, fuel filters, and impellers serviced on both engines and the generator, and transmission fluid changed in May 2026. The yacht also features routine monthly service checks and maintenance. Shestakov Yacht Sales is handling inquiries.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
