OVERVIEW

2024 MTI 440X

Presenting the breathtaking 2024 MTI 440X, an extraordinary craft powered by dual Mercury Racing 500R engines, offering around 20 hours of thrilling operation. This opulent yacht is paired with a stylish black-painted aluminum Evolution Trailer, ideal for those seeking to enhance their maritime adventures.

Conceived by the esteemed Stephen Miles and expertly painted by Mark Morris of Visual Imagination, this yacht boasts a Stage Level 3 paint finish that is truly a work of art. It is a must-see for any sophisticated buyer at the current boat location.

Constructed with a carbon fiber hull and deck, this yacht features a custom gel-coated bottom and a gorgeously painted cockpit that blends seamlessly. The upholstered wrapped dash and forged carbon fiber dash panels exude elegance. With seating for eight, SeaDek flooring, and additional SeaDek in the storage areas, both comfort and style are prioritized.

Outfitted with state-of-the-art technology, this yacht includes a Garmin 22-inch display centrally located and a Garmin 12-inch screen on the passenger side, providing comprehensive navigation capabilities. The stereo system is enhanced to stage 2, delivering an outstanding audio experience, while the underwater lighting adds to its charm. Furthermore, upgraded Seasmart polished stainless steel cleats and cellphone docking charging pods complete this lavish offering.

Discover yacht sales at the current boat location and seize the chance to acquire a yacht that epitomizes luxury and performance. Don't let this remarkable yacht for sale pass you by!

DETAILED DESCRIPTION

Section name

Presenting the 2024 MTI 440X, an exceptional creation in marine craftsmanship, driven by dual Mercury Racing 500R engines with around 20 hours of operation. This magnificent yacht is paired with a sleek black-painted aluminum Evolution Trailer, offering both elegance and practicality on land and sea.

The yacht's design is a tribute to the creative genius of Stephen Miles Design, featuring an awe-inspiring paint job by Mark Morris of Visual Imagination. This Stage Level 3 finish is a true masterpiece that must be seen to be fully appreciated.

Built with a carbon fiber hull and deck, the 2024 MTI 440X features a custom gel-coated bottom and a cockpit painted to seamlessly match the overall aesthetic. Inside, the yacht boasts an upholstered wrapped dash and forged carbon fiber dash panels, exuding a modern and luxurious ambiance. With seating for eight, it provides ample room for passengers to enjoy their journey in comfort.

The vessel is fitted with SeaDek flooring and SeaDek within the storage compartments, ensuring both safety and style. Navigation is simplified with a Garmin 22-inch display centrally located and a Garmin 12-inch screen on the passenger side. The entertainment system, upgraded to Stereo Stage 2, delivers premium sound quality for everyone on board.

Additional amenities include underwater lighting, enhanced Seasmart polished stainless steel cleats, and cellphone docking charging pods, all contributing to the yacht's functionality and ease of use. The 2024 MTI 440X stands as a true marvel of contemporary yacht design, offering an unmatched blend of performance, luxury, and style.

Other details

The Company provides the information about this vessel with sincere intentions, but it is crucial to understand that we cannot ensure or certify the precision of these details, nor can we guarantee the vessel's condition. Potential buyers are advised to employ their agents or surveyors to meticulously examine and confirm any specifics they find essential. This vessel is on the market for purchase; however, please be informed that it may be sold, have its price adjusted, or be removed from the market without prior notification.

Propulsion

The yacht's propulsion system exemplifies both strength and accuracy, powered by a pair of Mercury Racing 500R engines. Each engine offers a remarkable 500 horsepower, guaranteeing a dynamic and thrilling experience on the water. With just 20 hours of use, these outboard engines are nearly new, ensuring both reliability and a long lifespan. They operate on gasoline, allowing for efficient fuel use during long voyages.

Fitted with 5-blade propellers crafted from stainless steel, the engines not only boost durability but also ensure the vessel moves smoothly and efficiently. This blend of cutting-edge engineering and premium materials guarantees that the yacht's propulsion system is both potent and reliable, prepared to tackle any seafaring adventure.

Specifications

This yacht features remarkable dimensions, stretching 44 feet in length with a beam of 10.83 feet, offering generous space and stability for a smooth and comfortable journey. Outfitted with dual fuel tanks, each holding 75 gallons,

the vessel ensures you have the necessary range for long-distance travels without the need for frequent refueling. These specifications underscore the yacht's emphasis on both performance and practicality, making it a perfect option for those eager to explore the open seas.

CONTACTS
