# OVERVIEW

---

## 2025 MTI 440X

### Tailor Your New MTI with TNT Marine Sales

The MTI Outboard X-Series is equipped with many of the remarkable attributes found in our larger vessels. Featuring an 8-seat cockpit with plenty of legroom, a large wraparound windshield, and ample storage spaces, this yacht for sale combines comfort with practicality. Even with its smaller size, it offers the thrilling ride and performance akin to its bigger siblings. Driven by twin Mercury Racing outboards, this boat effortlessly comes to life, cruising at speeds of 80 MPH while maintaining an impressive fuel efficiency of 2.5 MPG. When speed is desired and conditions are favorable, there's enough power to push beyond the 100 MPH threshold. Known for its excellent handling, the outboard catamarans can make sharp turns while staying stable. With these features, the 440X redefines what "Pleasure Boating" truly means.

Feel the excitement firsthand with a test ride and see why the newest MTI outboard cats are becoming the top choice for discerning buyers in the current boat location. Whether you're in the market to buy a yacht or exploring yacht sales in the current boat location, this model emerges as a leading option.

# DETAILED DESCRIPTION

---

## Section name

---

The 2025 MTI 440X, available for personalized order through TNT Marine Sales, stands as a stunning addition to the MTI Outboard X-Series, perfectly merging luxury, performance, and cutting-edge design. This model incorporates many of the outstanding features of its larger siblings, ensuring you enjoy the same level of elegance and excitement on the water. The 440X features an 8-seat cockpit with generous legroom, ideal for social gatherings or family adventures. Its expansive wrap-around windshield not only adds to its visual appeal but also offers excellent protection from the elements, while the plentiful storage compartments keep all your essentials organized and secure. Despite its more compact size, the 440X offers the thrilling ride and sensation of its larger counterparts. Equipped with twin Mercury Racing outboards, this vessel springs to life with minimal throttle, smoothly transitioning onto the plane. As you advance the throttle, you'll find yourself cruising at a brisk 80 MPH, all while achieving an impressive fuel efficiency of 2.5 miles per gallon. When conditions are favorable and you're eager for more speed, there's ample throttle left to push you well beyond the 100 MPH mark.

The exceptional handling of the 440X is a signature of the outboard catamaran design, enabling sharp turns while maintaining a stable and level ride. This blend of performance and reliable outboards redefines "Pleasure Boating," offering an unmatched experience on the water. To truly appreciate the innovation and craftsmanship of the new MTI outboard cats, we invite you to take a test ride and discover why the 440X is becoming the top choice for numerous boating enthusiasts.

## Other details

---

The company offers the information about this vessel with the highest level of integrity, striving to give potential buyers a thorough insight into what is available. However, it is crucial to understand that the company does not guarantee or ensure the accuracy of the details provided, nor can it vouch for the vessel's condition. Prospective buyers are highly advised to employ their own agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is on the market for purchase, but it may be sold beforehand, have its price adjusted, or be withdrawn from sale without prior notice.

## Specifications

---

The yacht features remarkable dimensions that enhance its striking presence and outstanding performance on the water. Spanning an overall length of 44 feet, it provides plenty of room for relaxation and entertainment, ensuring a comfortable journey for everyone aboard. With a beam of 10.83 feet, it offers stability and a spacious interior layout that optimizes both functionality and elegance. These specifications underscore the yacht's harmonious design, making it a perfect option for those who desire both luxury and practicality in their nautical pursuits.
