## Section name

---

This exquisite yacht is a marvel of craftsmanship and innovation, delivering an unmatched journey on the seas. At its core lies a meticulously designed engine room, housing a 9KW Fisher Panda Generator alongside two Man LE405 610PSHP diesel engines from 2002. These robust engines are enhanced by dripless shaft seals, dual Racor filters for each engine, and a Halon fire suppression system, ensuring both efficiency and safety. The engine room also features emergency Y valves, an oil change system, and an Imron finish, complemented by a tankless hot water heater and an Algae-X fuel polisher for both engines and the generator. The brand-new engines and generator, along with line cutters, complete this remarkable setup.

The yacht's decks are equally remarkable, with every surface adorned in synthetic Marquipt teak from 2000. Twin factory hardtops and EZ2CY enclosures offer protection from the elements, while the Ideal windlass and capstan, polished stainless steel anchor, and capstan ensure seamless sailing. The yacht is outfitted with four fender holders with Acer, fenders and covers, and a freshwater washdown system. Additional features include a stainless steel burgee mount, Stamoid deck hatch covers, a swim platform with a stainless steel ladder and starboard steps, twin 12V halogen stern lights, survival gear, an aft ensign mount, and a 50 Amp cabledmaster. The exterior is finished with a complete Palmer Johnson Awl Grip paint, adding a touch of sophistication to the vessel.

The aft deck is a sanctuary of comfort and elegance, featuring leather furnishings, area carpet, and reading lamps. Ultrasuede valances and indirect lighting create a cozy atmosphere, while stereo speakers and 110-volt outlets provide entertainment and convenience. The deck is equipped with 1/4" thick

Lexan wing doors, a teak bar with a sink, bottle holders, and additional storage. Custom retractable wine glass storage and step lighting for wing door entry and salon steps enhance the deck's functionality.

Inside the salon, you'll discover wool carpeting, Levelor blinds, and frameless windows that offer breathtaking views. Padded valences and lambrequins, along with a Sony stereo with CD and a Sony flat-screen TV with DVD, provide entertainment options. The Seatel satellite TV receiver and Sirius satellite radio ensure you remain connected. The salon is furnished with custom Viking furnishings, including a sectional and chair in ultra-leather, and features dedicated air conditioning for comfort.

The master stateroom is a haven of luxury, with wool carpet and cedar-lined hanging storage. A flat-screen TV, walk-around queen berth with a Tempur-Pedic mattress, reading lamps, and stereo control offer relaxation and entertainment. Table lamps, curtains, valences with indirect lighting, and a Vacuflush head complete this refined space.

The VIP stateroom features a queen island bed, cedar-lined hanging storage, and a chest of drawers. A dedicated AC unit, reading lamps, stereo control, curtains, valences, and indirect lighting create a warm ambiance. The stateroom also includes a Vacuflush head, teak and holly flooring, and a separate enclosed shower.

The galley is a culinary delight, equipped with a dishwasher, refrigerator/freezer, Panasonic 1800 Watt microwave, garbage disposal, and a Kitchen Aid black flat top stove. A stainless steel sink, central vacuum, custom butcher block counter, and dinette table area provide functionality and style. The galley also includes a Splendide super duty washer/dryer and a pantry for added convenience.

The yacht's electronics are cutting-edge, featuring a Direct TV satellite system, powder-coated arch, and Glendining electronic engine controls. A Simrad autopilot, Simrad depth finder, and Bennet trim tabs with auto return and

indicator ensure smooth navigation. The yacht is equipped with two ICOM VHF's, two Northstar 6000 color displays, GPS, sounder, charts, radar, and a Floscan fuel totalizer. Additional features include an ICOM 502 VHF, auto fog and hailer, remote generator control (bridge), Sentry tank tender, bridge AC, newer engine gauges and tach's, a Ritchie compass, and two Raymarine C-70 color units with GPS and Sirius weather data.

This yacht is a symbol of luxury and performance, offering an unforgettable experience on the open water.
