OVERVIEW

Renowned within its category, the bold presence of the Cranchi M44 HT combines Italian refinement with athletic lines and exceptional onboard comfort. Presented in the distinctive Grigio Nube hull finish, her contemporary profile reads as both elegant and modern, a yacht that makes a refined statement in any harbour. Maintained to an almost new standard, this express cruiser arrives fully equipped and ready for immediate use.

Propelled by twin Volvo Penta D6 engines producing 2 × 400 hp, she delivers smooth, economical cruising with crisp throttle response and reassuring seakeeping. Designed for effortless weekend escapes and longer coastal passages alike, the M44 HT strikes a well-judged balance between high-end accommodation, practical usability, and generous outdoor living.

A standout feature is the electrically operated cabrio hardtop, which opens at the touch of a button to flood the cockpit with light and fresh air, instantly converting the space into an open lounge that connects guests with the surrounding sea. The cockpit itself is arranged for sociable entertaining, with abundant seating, warm teak finishes and a fully equipped wet bar ideal for relaxed alfresco dining and convivial gatherings.

Below decks, the yacht reveals a carefully considered interior with two comfortable cabins where contemporary Italian styling meets highly practical layouts. Large windows and thoughtful material choices allow natural light to enhance the volume throughout, creating an inviting atmosphere suited to day trips or extended stays aboard.

This particular example benefits from a high specification that includes a generator, air conditioning, bow thruster and a full suite of Raymarine navigation electronics, ensuring ease of handling and elevated onboard comfort. The Cranchi M44 HT presents an exceptional opportunity to acquire a meticulously cared-for sports cruiser that expertly fuses performance,

elegance and versatility—perfect for coastal cruising, leisurely anchoring or entertaining in unmistakable Italian style.
