OVERVIEW

Header

Everglades 455 CC (2023) delivers a purpose-built offshore platform that moves fast, fishes hard, and pampers the crew. Triple Mercury Verado outboards at 600 hp each pair with a Seakeeper 6 for composed performance, while a massive cockpit prioritizes angling with generous fish-fighting space, livewells, fold-down transom seating, and a centered rocket launcher, all easily overseen from the aft mezzanine with AC vents and footrests. Fish boxes sit to starboard and aft of the mezzanine. At the helm, two rows of Teak Release Marine ladder-back seats keep everyone comfortable, complemented by premium Garmin electronics and Mercury joystick piloting with Skyhook. Overnighting comes naturally in the air-conditioned cabin with galley, convertible berth, enclosed head, and a 32" TV. Forward, the bow invites relaxation with a large three-person lounger with armrests, two additional bow seats, and Teak Release Marine ladder-back cushion seats on both port and starboard. Strategic storage, gear drawers, and rod holders round out a deck plan designed to put anglers on the bite—then keep them there.
