## OVERVIEW

---

Indulge in the perfect union of refinement and seaworthy capability with this elegant 2017 yacht, offered for sale amid the sun-drenched harbors of Spain. Measuring a graceful 45 feet overall with a broad 13 foot beam, the design balances sleek lines and reassuring stability, creating an ideal platform for those who wish to buy a yacht that marries style with purposeful engineering. Beneath the graceful profile twin Volvo Penta inboard engines provide confident propulsion, carrying the vessel at a comfortable cruising pace of 21 knots and a top end of 29 knots, so whether you plan languid coastal passages or spirited runs across open water the yacht responds with poise. Onboard systems and accommodations are arranged to support extended time afloat: two well-appointed heads, a generous water capacity of 282.66 gallons and fuel capacity of 105.67 gallons allow for longer passages and relaxed itineraries without compromise.

Constructed with a fiberglass and plastic hull and finished with a GRP deck, the hull form affords durability and a polished aesthetic that complements the yacht's refined silhouette. Step aboard to discover thoughtfully proportioned outdoor spaces that invite sunlit repose and convivial evenings; the deck layout encourages both quiet moments on the bow and lively gatherings beneath starlight, offering a graceful setting for every occasion.

Currently located in Spain, this yacht represents a rare opportunity for discerning buyers in the yacht sales market to secure a vessel that embodies both adventurous spirit and understated luxury. Embrace the joy of ownership and claim this exceptional 2017 yacht as your own.
