OVERVIEW

The Sea Ray 420 Sedan Bridge—badged the 44 Sedan Bridge from 2006–09—melds contemporary, eye-catching lines with the sumptuous comforts that define modern Sea Ray yachts. Refined from stem to stern, this flybridge motor yacht welcomes you with warm wood soles, expansive panoramic windows, and plush Ultraleather seating that bathes a bright, open salon in natural light. A raised dinette enhances the vistas, while high gloss cherry cabinetry and deep pile carpet accents reinforce the vessel's elevated interior atmosphere. Down below, a well-considered two stateroom, two head arrangement offers a port guest cabin with twin single berths and a forward owner's suite centered around a queen island berth with generous drawer and locker storage. A discreet washer/dryer combo is cleverly stowed beneath the galley steps, and both heads are appointed with separate shower stalls to ensure true yacht level privacy.

A sliding glass door opens to the cockpit, which features a walk through transom, integrated bench seating, and molded stairs rising to the bridge. The extended flybridge, enveloped in a fully enclosed canvas package, affords exceptional sightlines fore and aft and fosters social ease with a spacious U shaped aft lounge and removable table. Underway, twin Cummins 6CTA 8.3 diesel engines rated at 430 hp apiece—monitored through the SmartCraft system—cruise comfortably in the mid 20 knot range and can reach top speeds near 30 knots. Mechanical reliability is reinforced by ZF280 transmissions, dripless shaft logs, Bennett trim tabs, a Vetus bow thruster, and a Reverso oil change system, while a 9 kW Cummins Onan generator supplies hotel grade power for zone controlled reverse cycle air conditioning, a central vacuum, VacuFlush toilets with macerator and overboard discharge where permitted, and underwater lighting.

The entertainer's galley is appointed with solid surface countertops and a

12V/110V stand up refrigerator/freezer, complemented by a Norcold refrigerator conveniently located in the cockpit, and the salon sofa converts to an extra berth when guests arrive. Upholstery presents beautifully throughout the yacht, and the cockpit, flybridge, and decks were professionally detailed in February 2026. Navigation is move in ready with dual Garmin chartplotters and a long range 48 mile radar. Equally comfortable as a sedan bridge, family cruiser, coastal cruiser, or sport cruiser, this luxury flybridge cruiser embodies the poise, performance, and refinement that are hallmarks of the Sea Ray pedigree.
