## OVERVIEW

---

Currently offered

With considered design and expert craftsmanship, the 2022 Beneteau Gran Turismo 45 presents itself as an ideal Florida cruiser — a nimble dayboat built for convivial entertaining that easily transforms into an elegant weekender. This Gran Turismo 45 motor yacht marries spirited performance with composed luxury, embodying the finest elements of modern sport cruiser and express yacht architecture.

Recent service and upgrades include an 8/2024 fresh bottom job and a comprehensive 1/2025 full detail inside and out. Power comes from twin Volvo Penta D6 440hp engines with approximately 200 hours recorded, and the profile is defined by a sleek hardtop coupe with a retractable roof that opens the salon to sun and sea. Security and comfort are enhanced by a GOST security system, an upgraded stereo with 16 speakers plus a subwoofer, sunshades, and window tinting. The yacht is fully loaded, has never been used for charters, and offers the convenience of a tender garage.

Below deck, the layout provides two cabins and two heads, delivering comfortable overnight accommodations without sacrificing social spaces on deck. For those seeking both spirited cruising and refined relaxation, this Beneteau 45 for sale in Tampa Bay offers a seamless union of luxury and capability.

Arrange a private viewing near downtown Tampa, Florida, and step aboard this exceptional performance yacht and weekender.

## Disclaimer

---

The Company presents the particulars of this vessel in good faith; however, it cannot guarantee or warrant the accuracy of the information provided, nor the current condition of the yacht. Prospective buyers are advised to instruct their agents or qualified surveyors to verify any details they deem essential. Engine hours indicated may differ from actual due to recent use, and purchasers are encouraged to confirm hours prior to completion. This vessel is offered subject to prior sale, price adjustment, or withdrawal from the market without notice.

## Recent services and upgrades

---

This 2022 Beneteau Gran Turismo 45 has benefited from recent premium servicing and thoughtful upgrades that elevate performance, comfort, and confidence. Power comes from twin Volvo Penta D6 engines rated at 440 hp each, complemented by a hydraulic lift for effortless waterside living, while a retractable hardtop roof transforms the main deck at the touch of a button. A well-conceived two-cabin, two-head layout maximizes privacy, and a tender garage streamlines stowage for toys and gear. Security is strengthened by the GOST Security System, exterior sunshades temper glare, and V-Kool on the windows optimizes thermal comfort. Entertainment rises to a new level with an upgraded stereo system featuring sixteen speakers and a subwoofer, delivering immersive sound throughout the yacht.

## Exterior features

---

At the swim platform and garage, leisure meets function seamlessly: a hydraulic swim platform with ladder lowers you gently to the water, built-in

tender and toy pop-up chocks speed launch and retrieval, and a large tender garage swallows toys and equipment with ease. The aft galley with BBQ grill, cleverly concealed beneath the aft sun pad, keeps open-air dining delightfully effortless.

In the cockpit, the 2022 Beneteau GT-45 focuses on carefree cruising. A self-bailing cockpit, a secure access gate, and panoramic cockpit windows—fitted port and starboard—frame the journey in safety and sweeping views. A spacious salon for eight guests gathers around an elegant solid wood table, with four under-seat storage lockers providing generous stowage. The cockpit galley is fully appointed with a sink, a foldaway tap, practical storage, and a garage bin, while a dedicated portside deck hatch ensures easy engine access. Thoughtful touches abound, including a designated space for a cased life raft, a cockpit shower, a handy rear table handrail, a relaxing sun deck with a plush sun pad, and a premium Fusion RA210+ audio package that enriches every moment underway.

Below the

waterline and along the hull, innovation defines the 2022 Beneteau GT 45. The Air Step System elevates performance and efficiency, an advanced composition and monolithic hull counter molding deliver strength and precision, and enhanced ventilation—through eight strategically placed opening portholes—improves onboard comfort and airflow even at anchor.

Forward, the bow and mooring arrangement marry style with

capability. Expansive bow space and broad side decks lead to a sun pad complete with cup holders, a retractable backrest, and a sun shade.

Toe-rail-mounted stanchions secure the perimeter, while a sleek bow fitting and an innovative anchor-securing system keep gear tidy and ready. A 1000 W electric windlass with remote control simplifies anchoring, and premium stainless-steel cleats underscore the yacht's durability and polish.

## Interior luxuries

---

On the main deck, the salon of the 2022 Beneteau Gran Turismo 45 welcomes you with a built-in settee and dining table, plush sofa seating for four, and a stylish wooden table finished in grey walnut with a stainless-steel foot.

Organization is effortless thanks to four storage cupboards and two lockers, while two skylights and a hull window with an opening porthole bathe the space in natural light. Venetian blinds tailor privacy and brightness, a 110 V outlet keeps devices topped up, and both direct and indirect LED ambient lighting let you set the mood with precision.

For onboard comfort and

flexibility, the yacht provides air conditioning in the cockpit, salon, and cabins, a diesel heater "air pulse" for cool evenings, and mosquito screens on the portholes for serene nights. A double berth in the salon expands accommodation when needed, and the Garmin Surround View camera system heightens situational awareness, making close-quarters handling reassuringly simple.

From the helm, positioned forward of the salon on the main deck, ergonomic design meets intelligent technology. A polyester steering station centers your command, a dynamic pilot seat with bolster and a foldable footrest support you perfectly, and coordinated upholstery for pilot and co-pilot harmonizes with the salon. Secure handrails, a sleek dashtop and console, and an advanced Volvo screen with a 4" display presenting essential navigation and engine data keep everything clear at a glance. An innovative polyester hard-top and a clear glass windscreen extend comfort and visibility in all conditions.

Below, the galley down brings culinary ease to sea days with a double stainless-steel sink, a versatile microwave oven, and an efficient ceramic hob, all crowned by an elegant Corian countertop. A spacious 218 L fridge-freezer, a concealed stowage drawer, a convenient garbage bin, and

modern storage cupboards maximize function, while enhanced ventilation and Venetian blinds temper the atmosphere. Two 110 V outlets and luxurious leather handrails complete this refined workspace.

## Accommodations

---

Step aboard the 2022 Beneteau Gran Turismo 45 and discover accommodations that balance privacy, light, and refinement. The forward VIP cabin offers headroom of 6' 4" and can be configured with a double bed or 2 single beds on a sliding system, each set atop a slatted bed base with a marine mattress. Thoughtful amenities include 2 reading lights, 2 shelving units, 2 hanging lockers, and 2 cupboards with shelves, as well as a 115 V power outlet and TV pre-wiring with Fusion RA670 and speakers. Two panoramic windows with opening ports and blinds flood the space with daylight, while direct and indirect LED lighting set the perfect tone.

The adjacent VIP/day head exudes

quiet elegance, featuring a stylish sink with mixer tap, handy storage cupboards, natural illumination moderated by Venetian blinds, and a separate shower area. A quiet electric flush toilet and slatted floor underscore the premium feel, with 115 V power outlets adding convenience.

Aft, the owner's

cabin is a sanctuary with a sumptuous double berth and a premium marine mattress, framed by an elegant padded headboard. Storage is abundant with dedicated lockers and a convenient hanging locker, while two 110 V power outlets, panoramic views, and a natural light well enrich the ambiance.

The

owner's en-suite head continues the theme of tailored luxury, with a sleek sink and mixer tap, spacious storage cupboards, natural illumination softened by flexible Venetian blinds, and a separate walk-in shower area with a translucent door. A quiet flush toilet and a slatted floor complete the sense of calm and care in every detail.

## Electronics

---

Cruise with confidence aboard the 2022 Beneteau GT 45, where intuitive controls, clear displays, and advanced connectivity streamline every passage. The "SEANAPPS" smart technology monitors the boat's status and sends alerts and maintenance advice via the associated mobile application, letting you view GPS position, battery status, engine information, navigation data, and more from anywhere. Navigation and communication are comprehensively equipped with a depthsounder, radar, log speedometer, navigation center, plotter, autopilot, radio, GPS, cockpit speakers, and VHF, bringing precision and ease to each mile.

## Electrical equipment

---

Power aboard the 2022 Beneteau GT 45 is seamless and reliable, with systems designed to simplify life at sea. The installation includes 2 engine batteries (12 V – 115 Amp) and 3 service batteries (12 V – 115 Amp) with an electrical gauge, supported by a load balancer and a battery charger (12 V – 40 Amp).

Practicalities abound with antenna pre wiring, an interior 115 V power outlet, a shore power socket (115 V – 32 A), and a roller for the shore power lead (115 V – 60 Hz). Generation at anchor is assured by a GE 8.5 KVA 115V60 MASE generator, while thoughtfully placed spotlights and LED reading lights provide efficient, comfortable illumination. Safety is further enhanced by a fire extinguisher on board.

## Mechanical

---

Aboard the 2022 Beneteau GT 45, robust propulsion and carefully engineered systems deliver smooth, assured performance. Power is provided by Volvo

Diesel IPS 600 engines, 2 x 440 HP, with throttle and controls that include neutral activation and station activation for decisive command, plus a docking joystick for fingertip precision. Trim adjustment (only on Z drive versions) broadens versatility. Reliability is reinforced with a fuel filter featuring a decanter, a sea water filter, deck air intakes for engine room cooling, and foam soundproofing in the engine space. Safety remains central thanks to a fire extinguishing system activated from the steering station. Stainless steel fuel fills and 2 x 450 L / 119 US Gal aluminum fuel tanks complete a specification built for range and confidence.

The steering system is electric,

paired with 2 bases or pods with counter rotating propellers and full electrical engine controls. With Volvo IPS you benefit from a trip computer, cruise control, a single lever mode, and low speed functionality; with Volvo Z Drive you gain a trip computer, cruise control, tow mode, a single lever mode, and a power trim assistant, ensuring refined handling across operating profiles.

Plumbing is equally comprehensive: 2 rotomolded water tanks provide 200 L / 53 US Gal each, filled via stainless steel water fills and pressurized by a pump serving the hot/cold water system, with shore freshwater supply available at the dock. Hot water comes from a 40 L / 11 US Gal heater working off the engine exchanger and 115 V. Bilge protection includes 2 electric bilge pumps (50 L/minute) and 1 manual bilge pump (30 L/minute), all complementing a 120 L / 32 US Gal rigid holding tank for clean, dependable operation.

## Manufacturer's description

---

The Gran Turismo 45 reimagines on board luxury and sets a new benchmark for express cruisers, seamlessly uniting indoor and outdoor living. Expansive windows, a sun deck, and generous U shaped cockpit seating create a

remarkably social environment, while the yacht's timeless elegance and adaptable spirit confirm its flagship status in the new generation of BENETEAU Express Cruisers.

Exterior design is dynamic and refined. Sleek lines and a powerful, contemporary hull are accented by metallic grey "fashion plates" on the hard top sides and engine air intakes. The hard top and expansive hull windows lend a modern profile and fill the interior with soft, natural daylight. In the cockpit, a vast U-shaped seat faces a wet bar with sink, fridge, and ice maker, and a retractable TV elevates entertainment at anchor.

On the

lower deck, the Gran Turismo 45 delivers every comfort for extended escapes. A beautiful owner's cabin aft with an independent shower room and a guest cabin forward with a second shower room provide luxurious accommodations, complemented by a convivial salon and a spacious, well-equipped kitchen in warm grey walnut. The salon can be transformed into a third cabin with bunk beds for added flexibility. Available for sale in Tampa Bay and Clearwater, this exquisite vessel offers a luxurious and versatile yachting experience on the Florida Gulf Coast.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
