DETAILED DESCRIPTION

Key features & upgrades

This 2010 45' Sea Ray Sundancer is a meticulously maintained yacht that has recently transitioned from the Northeastern US, spending less than a year in Florida waters. Featuring a stunning black hull, it is equipped with a hydraulic swim platform that enhances both its visual allure and practical use. With Cummins QSB 380 Diesel engines clocking only 590 hours, this vessel promises dependable performance and efficiency. The yacht is fitted with joystick control and the SkyHook virtual anchor system, ensuring effortless handling and stability.

In 2021, the yacht underwent major enhancements, including the installation of cutting-edge Garmin electronics and a premium JL Audio sound system with a Fusion head unit, offering superior navigation and entertainment. The cockpit is equipped with air conditioning and heating, ensuring comfort in any climate. The engines and generator were serviced in late 2020, and a 2021 mechanical inspection confirmed that the pod services are current. Furthermore, new batteries and motor mounts were added in 2021, bolstering the vessel's reliability and performance.

The aftercoolers and heat exchangers were serviced in 2019, maintaining the yacht's excellent mechanical condition. Inside, the salon and galley are adorned with sophisticated wood flooring, while the media room features new carpeting, creating a luxurious and welcoming environment. This Sea Ray Sundancer exemplifies careful upkeep and thoughtful upgrades, making it an outstanding option for discerning yacht aficionados.
