OVERVIEW

2016 Azimut Atlantis 43 — where Italian panache, lively performance, and measured comfort meet in a streamlined express cruiser fashioned for those who value speed with elegance. The hardtop motor yacht's contemporary silhouette conceals efficient use of space and the muscle of twin Volvo Penta D6 engines, delivering brisk acceleration and an effortless cruise beyond 30 knots. The open, convivial cockpit is arranged for entertaining, with deep lounge seating, a wet bar, and a retractable sunroof that dissolves the boundary between sea and sky. Below decks, a refined interior presents a fully equipped galley, a tasteful salon, and sleeping quarters for four spread across two serene cabins, each served by its own ensuite. Equally at ease on a short weekend escape, an island-hopping itinerary, or a leisurely coastal cruise, this sport cruiser marries spirited performance with serene luxury. Available now and turn key ready, this unmistakably Italian performance yacht invites you to cast off and pursue the horizon.

DETAILED DESCRIPTION

Azimut Atlantis 43

The 2016 Azimut Atlantis 43 blends sporty elegance with unmistakable Italian craftsmanship, delivering a sleek, agile sport cruiser for owners who demand both pace and poise. Powered by twin Volvo Penta D6 engines for thrilling acceleration and a top end exceeding 30 knots, it pairs joystick control with a bow thruster for confident, fingertip maneuvering in tight marinas and busy harbors. An open plan cockpit forms the social heart of the yacht, with a generous lounge, wet bar, cockpit chair, and a retractable sunroof that dissolves the boundary between interior and sea. Entertaining comes naturally with a cockpit BBQ, an ice maker serving both cockpit and salon, exterior courtesy lighting, sunbathing cushions with a protective cover on the foredeck, and a teak clad environment underfoot that extends across the cockpit, side decks, and the hydraulic swim platform with swimming ladder. A cockpit shower, plush cockpit cushions with a dedicated table, and a liferaft underscore the boat's readiness for effortless days on the water. The painted hull gives the profile a refined, purposeful presence. Below deck, refined finishes and the Atlantis Isole décor upgrade set a sophisticated tone. A fully equipped galley with microwave, refrigerator, hot water, and ample storage supports longer stays, while the stylish dinette converts via a sofa/bed for added flexibility. Two well appointed cabins welcome up to four guests, each with its own ensuite bathroom, complemented by efficient air conditioning for perfect climate control. The audio video package and a comprehensive Premium package that includes the Advance and Comfort packages elevate both convenience and ambiance. At the helm, the Raymarine Platinum Package anchors a complete electronics suite: radar, plotter and GPS, depthsounder and autopilot, VHF and compass, with cockpit speakers

enriching life underway. Entertainment is seamless with a TV, DVD player, CD player, and radio. Practical detailing includes a chain counter at the helm, both a fixed electric searchlight and a portable manual searchlight, and thoughtful courtesy lighting throughout. Robust onboard systems inspire confidence offshore: a MASE 5 kVA generator and battery charger keep power steady; an electric bilge pump and sea water pump support reliable operation; and black and gray water tanks feature a level indicator with electric discharge for clean, easy management. Teak craftsmanship, decor enhancements, a cockpit chair, a maneuvering joystick, and the hydraulic swim platform round out a specification that is as complete as it is compelling. Ideal for weekend escapes or extended coastal passages, the Azimut Atlantis 43 strikes a perfect balance of performance and comfort.
