OVERVIEW

Offered by a highly motivated seller at an aggressive price with financing available, this pristine 2020 Ocean Alexander 45 Divergence Sport presents an exceptionally equipped example of a luxury dayboat that marries boutique motor-yacht refinement with the open, performance-oriented ethos of an outboard sport yacht. Built by a yard renowned for impeccable fit and finish, the Divergence Sport delivers the visual presence and interior appointments of a small yacht while preserving the simplicity and exhilaration of a center-console-inspired platform.

Power comes from Quad Mercury Verado 350 HP outboards showing approximately 450 hours, producing a commanding combined output of 1,400 horsepower. Handling is made effortless by the full Mercury Joystick Piloting system with Joystick Control and Skyhook, giving intuitive close-quarters maneuvering, precise station-keeping and fingertip control that remove the stress from docking and tight marina work.

Prepared for confident passages and serene anchorage, the yacht is fitted with a bow thruster, Seakeeper gyro stabilization, an extensive Garmin electronics package, FLIR thermal imaging and a Kohler 11 kW diesel generator. These systems provide the reassurance and capability desired for cruising South Florida, the Keys and the Bahamas, combining true offshore confidence with the convenience expected of a sophisticated day-cruiser.

Ocean Alexander's signature craftsmanship is evident throughout, where yacht-grade detailing meets the versatile layout owners value in a modern walkaround day cruiser. Measuring approximately 47'5" LOA with a 13'9" beam, the Divergence maximizes outdoor living with hydraulic fold-down side platforms to port and starboard that transform the cockpit into a vast waterside terrace—ideal for entertaining, easy water access for swimming and diving, and extended dockside enjoyment.

The cockpit is designed for sociability, offering generous lounge seating and a full outdoor galley/summer kitchen that elevates alfresco dining to a new level. Forward, an oversized bow lounge creates an additional social refuge perfect for sunning, sunset cocktails or relaxed cruising, delivering the atmosphere of an elegant express day cruiser. Below, comfortable accommodations with a private head and yacht-quality finishes allow for extended days aboard or occasional overnighting without compromise, reinforcing the model's dual character as both an exhilarating dayboat and a capable weekender.

Highlights include the 2020 Ocean Alexander 45 Divergence Sport with Quad Mercury Verado 350 HP outboards (~450 hours), Mercury Joystick Piloting with Skyhook, bow thruster, Seakeeper gyro stabilization, Garmin navigation and systems, FLIR thermal camera, Kohler 11 kW diesel generator, hydraulic fold-down bulwarks, a spacious aft entertainment area, expansive bow seating, a full outdoor galley, and comfortable overnight accommodations with a private head—all finished to unmistakable Ocean Alexander standards. Dimensions are approximately 47'5" LOA and 13'9" beam, and the yacht is located in Miami, Florida. Aggressively priced and ready for a new owner, all reasonable offers are welcome and financing is available for qualified buyers; contact us today to request further information or to arrange a private showing.
