DETAILED DESCRIPTION

INTRODUCTION/REMARKS

The 2028 Duchy 45, Hull #3, is available for Fall 2027 delivery with the owner's selection of fabrics and bespoke options. Designed by British naval architect Andrew Wolstenholme and meticulously handcrafted in the United Kingdom by COCKWELLS, the Duchy 45 seamlessly blends traditional Downeast styling with contemporary luxury and bluewater capability. Twin Volvo Penta IPS 600 pod drives deliver effortless joystick handling and a top speed of 32 knots. The main deck features expansive cockpit seating for up to 12, wide side decks, and seamless one-level living into the wheelhouse through custom teak bifold doors, including both a starboard helm door and a port side door with wing controls to simplify docking. Accommodations are flexible: a standard two-cabin, two-head layout with galley down, or an option for a galley-up configuration to add a third private cabin below. A recently delivered Duchy 35, based in Rhode Island, is available for private viewing to experience Cockwells' craftsmanship firsthand. Shestakov Yacht Sales serves as the listing broker.
