OVERVIEW

Presenting the Mikelson Maverick, the newest gem in the Mikelson Yachts collection. This exquisite yacht features a contemporary and elegant design, measuring 45 feet in length, 16 feet in beam, and a draft of 4 feet. Equipped with twin Cummins QSC 550hp engines and an 11.5kW Onan generator, the Maverick delivers an exhilarating cruising speed of 25 knots and a top speed of 30 knots. Its engines and hull are derived from the renowned Mikelson 43', celebrated for its exceptional reliability and performance.

However, the Mikelson Maverick transcends mere speed and power. We have ingeniously transformed the iconic Mikelson "under salon" space into a third stateroom, enhancing the comfort and luxury for you and your guests. The interior showcases premium materials and finishes, with meticulous attention to detail to ensure the utmost comfort and convenience. The result is a yacht that truly feels like a home away from home.

We believe the Mikelson Maverick stands as the pinnacle of luxury and comfort in the express yacht category. Whether you're planning a day excursion to a nearby destination or setting off on an extended voyage, the Maverick promises exceptional performance, robust construction, and unmatched comfort. With the Maverick, you can indulge in the ultimate luxury yacht experience for years to come. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that redefines elegance on the water.
