OVERVIEW

"Current Price" is a reference point, and all respectful offers are welcomed. Step aboard the 2001 Sea Ray 450 Express Bridge and discover a flybridge express cruiser that fuses refined styling with dependable engineering. This sedan bridge motor yacht, measuring 45 feet overall, is designed to excel in brisk day runs and leisurely coastal passages alike, offering an uncommon combination of generous interior volume, seamless deck-to-deck flow, and nimble, responsive handling. With its sweeping exterior lines and thoughtfully arranged living spaces, the 450 Express Bridge becomes more than mere transportation—it is a tranquil refuge on the water, created for owners who treasure both spirited performance and peaceful relaxation. Perfect for weekend retreats, extended cruising itineraries, elegant entertaining, or as a liveaboard-friendly coastal cruiser, this yacht embodies lasting comfort, capability, and the well-established Sea Ray pedigree.

Recently positioned at a marina for on-land storage, this well-presented 450 has been carefully maintained and reflects the pride of attentive ownership. The captain reports strong-running engines and the poised, trustworthy ride one expects from a quality sport cruiser, suggesting the yacht is prepared for immediate enjoyment. Please note that a trailer is not included with the vessel. Logistics are handled professionally: nationwide transport can be arranged through experienced marine carriers, and custom cradles with port delivery for international shipment are available upon request. As with any pre-owned motor yacht, no statement of condition can be made regarding engines or onboard machinery; photographs may show the engine space, but buyers are solely responsible for inspections and for determining actual condition. Do not assume that accessories or loose gear are in storage; the yacht is offered strictly as she sits, and bids or offers should reflect the equipment present at the time of viewing.

All particulars are presented in good faith but are not guaranteed, and no warranty is expressed or implied as to accuracy or vessel condition. Buyers are encouraged to verify any details they consider material. The yacht is offered subject to prior sale, price change, or withdrawal without notice. All marine assets—whether owned or brokered—are sold AS-IS, WHERE-IS, with no warranties of merchantability or fitness, and no verbal agreements shall apply. For those seeking a luxurious flybridge express cruiser, a sedan bridge motor yacht, or a versatile 45-foot Sea Ray well suited to liveaboard or coastal cruising, this 2001 Sea Ray 450 Express Bridge presents an elegant and compelling opportunity.
