# OVERVIEW

## Magazzù MX-14 Classic

The Magazzù MX-14 Classic unfolds as a 14 metre Maxi RIB that pairs sartorial elegance with raw performance, a vessel conceived for those who seek both pace and polish. With a beam of 4.8 metres and propulsion delivering 1,200 hp, this luxury RIB reaches speeds of up to 50 knots while retaining the composure of a finely balanced sea craft. Twin 500 litre fuel tanks (2 × 500 litres) and a 360 litre freshwater reserve support extended outings, and the generous layout accommodates up to 26 passengers, making it equally at home as a superyacht tender, an exclusive day cruiser, or a high performance powerboat.

Inside, the MX 14 Classic offers two cabins and a single bathroom, complemented by an electric bimini and a hydraulic swim platform for effortless leisure. Its fiberglass planing hull ensures confident, silky planing, and CE Category B certification underlines offshore capability. The design marries the adaptability of an inflatable with the timeless lines of a classic yacht, creating a commanding yet graceful presence on the water.
