DETAILED DESCRIPTION

Detailed description

Built in 2008 by the iconic Italian yard SACS Marine, the Strider 45 is a top tier performance RIB that blends power with understated sophistication.

Measuring fourteen meters in length with a four point five meter beam, she provides expansive, easy to navigate deck areas for sunbathing, relaxed gatherings, and effortless boarding.

Driven by twin Yanmar 430 hp diesel inboards, she offers an exhilarating yet confident performance profile, cruising comfortably at thirty to thirty two knots and approaching forty eight knots at the top, depending on load and configuration. A sharp hull, low draft, and tube protected profile deliver a dry, stable, and secure ride even when the sea turns choppy.

The teak clad deck sets out generous lounging zones forward and aft, a convivial cockpit bar, and a shaded helm. Below deck, the neatly finished cabin features a convertible lounge/settee, a private WC, and thoughtful storage—ideal for weekend escapes and day cruising comfort.

Whether you're hopping between islands or welcoming guests in an Ibiza marina, the SACS Strider 45 stands out as an elegant performance RIB—an inspired day cruiser, capable chase boat, and luxury superyacht tender.
