## OVERVIEW

---

The owner has already chosen his next vessel — a motivated seller, receptive to offers.

Displaying the brand's latest innovations, this elegant sport yacht captures the essence of Prestige design. With a poised, athletic silhouette, the Prestige 460S delivers a sophisticated express-cruiser and luxury motor-yacht atmosphere, crafted to enhance the communion with the sea. Thoughtfully engineered for flexibility, the expansive opening sunroof and the broad sliding glass door aft allow you to tailor the connection between salon and cockpit, creating an airy, open-plan living space that adjusts effortlessly to your lifestyle—pure sport-coupe refinement.

# DETAILED DESCRIPTION

---

## Walkthrough

---

Boarding at the generous swim platform, you ascend two teak steps to an inviting aft deck arranged around a beautifully refinished teak table with comfortable L shaped seating. Forward to port on the aft deck sits a dedicated icemaker, while to starboard a joystick station provides intuitive control of the IPS pods and the bow thruster for effortless close-quarters maneuvering. Through the salon door, the aft galley greets you with a refrigerator to port and, to starboard, a sink and range beneath overhead cabinetry. One step up leads into the salon proper, where a portside dinette with U shaped seating converts via a drop-down table into an additional berth, and opposite, a starboard loveseat faces a sleek, pop up Visio TV. Just forward on the starboard side, the helm and helm chairs command superb sightlines and easy access to all controls. Ahead of the helm, four steps descend into the companionway; under these steps is a neatly concealed Splendid washer/dryer combo. A bright guest stateroom lies directly forward, with the head to starboard. To port, the full beam master suite unfolds, with the master head to starboard as you enter the master area. Facing aft, two steps take you down into the private bedroom area, where a starboard loveseat invites you to lounge, and abundant storage—drawers beneath the berth and additional drawers to port—keeps personal items shipshape. Two closets, both on the starboard side, one forward and one aft, add wardrobe capacity, while dedicated A/C controls and soft LED lighting ensure perfect comfort and ambiance. Back on the aft deck, discreet crew quarters are tucked beneath the end of the L shaped seating, accessed by a portside ladder. This crew space is self sufficient, featuring its own head with a separate holding tank and independent A/C control. Completing the lifestyle versatility, the aft swim

platform doubles as a tender lift and can be lowered to water level, creating an easy, beach style launch and a private water's edge terrace.

## Galley equipment

---

The aft galley is thoughtfully outfitted for effortless entertaining, featuring a Kenyan stovetop for precise cooking, a Miele microwave oven for rapid convenience, and a full refrigerator to keep provisions perfectly chilled.

## Electronics / navigation

---

The helm is comprehensively equipped with twin Raymarine Axiom 12" GPS displays, a powerful Raymarine 4 kW Magnum radar and Radar Open Array 4kva, a Raymarine P79 transducer paired with a Raymarine depthsounder, and a Raymarine Autopilot for confident passage-making. Precision control is enhanced by the Joystick Control and a Plastimo Offshore 95 compass, while clear communications come via the Raymarine VHF. For onboard entertainment, a pop up Visio TV in the salon is complemented by a DVD player and radio.

## Misc. equipment

---

Daily life aboard is simplified by the Splendid washer/dryer and a dependable Jabsco marine head, adding comfort and autonomy to every cruise.

## Engine room

---

Performance and self sufficiency are delivered by twin Volvo D6 – IPS600 engines (2020) showing 343 hours as of May 30, 2024, and a Cummins/Onan 13.5 kW generator with 431 hours as of May 30, 2024. Ship's systems include a battery charger, an electric bilge pump, a Dometic chilled water AC/heat

system, and a hot water heater, providing robust, climate controlled comfort and reliable onboard services.

## Aft deck and swim platform

---

Outdoor living is elevated on the aft deck, where the teak was refinished 4/23 and the teak table was also refinished 4/23, complemented by plush aft deck cushions, a protective aft deck cover, and integrated aft deck speakers.

Practical touches abound, including a ladder on the swim platform, a shore power inlet, an outside shower, and a Kenyan outdoor grill mounted on the platform—perfect for waterside dining.

## Manufacturer provided description

---

Showcasing the latest innovations of the marque, this sporty Prestige 460S embraces the brand's signature concept of expansive connection to the sea. With her striking, athletic profile, she presents an incomparable open design: the large opening sunroof and immense aft sliding glass door adapt the living space to the moment, inviting fresh air and horizon views when fully opened or offering a cocooned, protected ambiance when closed. Notably modular, the L shaped aft deck ingeniously transforms into an exceptionally large sundeck, amplifying relaxation and sociability at anchor.

## Prestige factory installed options

---

This 460S is richly optioned from the factory: twin Volvo D6 IPS600 (D6 440) 2020 with Joystick, Grey Oak interior woodwork, the North American package, Luxury package, and Electric package, plus the Bowers & Wilkins sound package and an Entertainment package. Practical seamanship is supported by a mooring kit, anchoring kit, bow thruster dual prop, searchlight and stern

docking lights, and an extra joystick on the aft deck. Outdoor enjoyment is enhanced by the aft deck electric retractable sun awning, a retractable foredeck canopy in Oyster, and Windows external curtains mesh in Charcoal, while the Beach Club Galley, ice maker on the aft deck, and the hydraulic bathing platform elevate life at the waterline. Onboard comfort includes upgraded A/C — Tropical 60k BTU, A/C for the skipper cabin 4k BTU, a Central Vacuum system, Splendid washer & dryer, and an electronic safe. The interior is refined with upgraded galley countertops, carpet in the wheelhouse & cabins — Vogue, carpet in the entrance & steps, and a brushed Wenge hardwood floor in the galley, while a convertible luxury table in the salon on a pedestal adds versatility. Navigation and audio upgrades include Radar Open Array 4kva and a B & W system with amp in the master. Finishing touches feature hull painted in Awlgrip, mosquito screens for hull ports, and cushions for the foredeck — BORA50.

## Disclaimer

---

The details of this vessel are offered in good faith but without guarantee or warranty as to accuracy, nor as to the vessel's condition. Buyers are encouraged to instruct their agents or surveyors to investigate any particulars they wish to validate. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

## Remarks

---

LUCKY ONE is a Prestige 460S that is fully current on all services, including detailing and wood refinishing, presenting as a true turnkey yacht ready for the next adventure. Celebrated for embodying the brand's latest innovations, this sporty 460S showcases an open, exterior focused design: the large opening sunroof and immense aft sliding glass door allow you to modulate the living

space from breezy openness to a sheltered, intimate retreat. The yacht's enhanced modularity is a highlight, with the L-shaped aft deck transforming into a very large sundeck that elevates relaxation and sociability at anchor or underway.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
