OVERVIEW

"CURRENT PRICE" IS A GUIDE. ALL OFFERS RESPECTFULLY CONSIDERED.

OVERVIEW

The 1984 Viking 46 Convertible stands as a quintessential sportfishing yacht, celebrated for its robust build, exceptional sea-handling, and luxurious comfort. Crafted by Viking Yachts, this 46-foot beauty boasts a generous cockpit tailored for avid fishermen, complemented by a well-equipped flybridge that ensures superior visibility and command. Its enduring design and sturdy construction continue to captivate yacht enthusiasts, making it a prized choice in yacht sales in the current boat location. Don't miss the opportunity to buy a yacht like this 46 Viking.

CURRENT CONDITION

This 46C was undergoing a comprehensive renovation when it experienced water ingress at the dock. A dislodged thru-hull fitting hose allowed seawater to enter, reaching the aft transom gunwale. The hull remains intact and presents well. The interior has been stripped and thoroughly dried, and the engines have been preserved. This is a prime chance to acquire a classic 46 Sportfish. Inspect and place your bid.
