## Additional equipment

---

This motor yacht and flybridge cruiser comes comprehensively outfitted for cruising and liveaboard comfort, featuring a touch screen helm, underwater lights, safe walk around side decks, and wheelchair friendly access. Weather protection is covered with a Bimini top, a cockpit cover, and a solid hardtop. Power needs are supported by a generator and a shore power inlet. The navigation and entertainment suite is extensive: autopilot; GPS with chart plotter; radar with radar detector; a dedicated navigation center with log speedometer, depthsounder, wind speed and direction sensors, and a precision compass; VHF radio with repeater displays; onboard computer and Wi-Fi; plus a radio, CD player, DVD player, VCR, flat screen TV, an additional TV set, and cockpit speakers to keep the music moving on deck. Interior comforts include air conditioning, heating, hot water, a refrigerator, oven and microwave, a sea water pump, and a smart battery charger. Handling and safety are enhanced by a bow thruster, electric and manual bilge pumps, and a full suite of heads: an electric head, a marine head, and an additional chemical head for flexibility. Outside, relax on cockpit cushions around a proper cockpit table, launch the tender with davits, board effortlessly via the gangway, and enjoy the water from the swimming ladder. Altogether, this cruising yacht is thoughtfully equipped to make time aboard easy, enjoyable, and ready to go.
