## OVERVIEW

---

2014 Regal 46 Sport Coupe — refinement, vigor, and modern elegance

Step aboard this 2014 Regal 46 Sport Coupe and discover exemplary construction, tasteful appointments, and assured sea manners. Built as an express cruiser and motor yacht for owners who prize comfort, sophistication, and effortless handling, this 46-foot Regal pairs a sleek profile and deep-V hull with thoughtful systems to create a memorable platform for day trips, social cruising, and extended coastal passages.

Power and performance woven into the experience

Beneath the graceful decklines are twin Volvo Penta IPS-500 diesels (440 hp each) with only 544 hours, delivering a blend of efficiency, spirited acceleration, and precise helm feel. The IPS pod-drive architecture yields crisp tracking, refined throttle response, and a calm, composed ride. Docking and tight maneuvers are made simple by a Volvo joystick and Yacht Controller remote, turning close-quarters handling into a relaxed, confident task. Expect a comfortable cruise at 27 knots with a top end exceeding 35 knots, supported by a 328-gallon fuel capacity and onboard electrics kept honest by a Kohler generator with 422 hours.

Cockpit and deck — single-level social living

Celebrated for its genuine single-level cockpit and retractable hardtop, the 46 Sport Coupe promotes seamless indoor–outdoor entertaining. Full-height salon doors slide away to convert the main deck into a continuous social space ideal for sunset gatherings, guest entertaining, or quiet anchorage retreats.

Full-beam retractable sunroof for open-air navigation

Extended swim platform with transom rail and table

Walk-through windshield for safe, easy bow access
