# OVERVIEW

---

\*\*THIS SOPHISTICATED YACHT IS IN PRIME MECHANICAL SHAPE, WITH RECENT OIL CHANGES PERFORMED ON BOTH MAIN ENGINES. IT DOES REQUIRE A FULL POLISH AND WAX, AS WELL AS A NEW ENCLOSURE FOR THE AFT DECK. THE OWNER HAS ADJUSTED THE PRICE TO ACCOUNT FOR THESE NEEDS AND IS OPEN TO ALL REASONABLE OFFERS. THIS PRESENTS A WONDERFUL OPPORTUNITY TO OWN A YACHT THAT ONLY NEEDS A LITTLE CARE AND SOME COSMETIC REFRESHMENTS.

\*\*THE BOTTOM HAS BEEN NEWLY PAINTED, AND NEW SHAFT SEALS HAVE BEEN INSTALLED, COMPLETE WITH SPARES.

\*\*\*THE ENGINES HAVE LOW OPERATING HOURS, AND A NEWER GENERATOR ADDS TO THE APPEAL.

\*\*\*\*THE STARBOARD ENGINE WAS FULLY REBUILT IN 2020, WHILE THE PORT ENGINE HAS BEEN RECENTLY SERVICED, WITH \$60K INVESTED.

\*\*\*\*\*A CUSTOM MATTRESS IN THE MASTER CABIN ENSURES MAXIMUM COMFORT.

\*\*\*\*\*WITH A GARMIN CHART PLOTTER, RAYMARINE RADAR, AND FUSION STEREO SYSTEM, THIS YACHT IS READY FOR EXPLORATION.

\*\*\*THIS YACHT IS PRICED FOR A QUICK SALE, AND THE OWNER IS KEEN TO SEE THIS CARVER 444 MOTOR YACHT SOLD. DON'T MISS THIS OPPORTUNITY TO PURCHASE A YACHT IN THE CURRENT BOAT LOCATION; ARRANGE A VIEWING TODAY!

# DETAILED DESCRIPTION

---

## Section name

---

This yacht is in excellent mechanical condition, with recent oil changes performed on both main engines. Although it requires a thorough polish and wax, along with a new enclosure for the aft deck, the owner has adjusted the price to reflect these needs and is open to all reasonable offers. This is a wonderful chance to own a boat that just needs a bit of care and some cosmetic updates. The yacht has been freshly painted on the bottom and fitted with new shaft seals, including spares, making it ready for the water. With low engine hours and a newer generator, this vessel offers both reliability and performance. Notably, the starboard engine was fully rebuilt in 2020, and the port engine has been recently serviced, with \$60,000 invested in maintenance. The master cabin features a custom mattress for enhanced comfort. For navigation and entertainment, the yacht is outfitted with a Garmin chart plotter, Raymarine radar, and a Fusion stereo system. Priced for a swift sale, the owner is keen for this to be the next Carver 444 Motor Yacht to be sold. Contact us today to view this exceptional opportunity.

## Overview

---

The journey through this yacht begins as you step into the main salon, where the inviting cherry wood paneling sets a warm tone. The area is elegantly furnished with solid surface countertops, plush deep pile carpeting, and a luxurious camel Ultraleather convertible love seat to port, perfectly placed behind a cocktail table. Just aft of the love seat, an entertainment center is equipped with a TV/VCR, stereo, and CD changer, while a spacious L-shaped Ultraleather lounge with two recliner sections is positioned across to starboard. Descending a step, the galley is found to port, fully outfitted to cater

to family meals. Moving forward, the guest stateroom awaits, featuring a pedestal berth, a separate stall shower to port, and a head compartment to starboard. Aft, the master stateroom boasts a large ensuite head and stall shower, ample hanging lockers, drawer storage, a TV/VCR, and a sliding glass door leading to the cockpit. All cabins are air-conditioned with reverse cycle heat and feature recessed lighting throughout. The main salon offers stunning views of the exterior, allowing for abundant natural light, or can be shaded with blinds and a forward windshield cover.

The salon is equipped with 110V outlets protected by GFCI, AC and DC distribution panels, and a built-in cabin stairway with a cherry wood handrail. The beige, tufted cut pile carpet is crush-resistant and crafted from 100% nylon. The designer décor enhances the entertainment setup, which includes a TV and VCR with speaker wiring in the salon, master stateroom, and aft deck hardtop. The entrance door is acrylic, curved, and sliding, with a handle lock and interior screen. Floor access hatches lead to the engine room and midship bilge, and a passive fresh air system with adjustable overhead vents is installed. Brass/chrome hardware accents the space, illuminated by nine recessed halogen lights. The chamois UltraLeather lounge features double recliners and a corner extension, while décor-matched miniblinds, rocker light switches, and a chamois UltraLeather sofa with storage underneath complete the salon. Solid surface countertops, stereo speakers, storage cabinets, a free-standing table, a telephone connector, and window vents enhance the salon's functionality.

The galley is fitted with a GFCI-protected 110V outlet, a coffee maker, and designer décor. The wood plank flooring complements the brass/chrome hardware accents, and two recessed halogen lights provide illumination. A built-in microwave/convection oven, an electric three-burner ceramic top range, and a 110V/12V upright refrigerator/freezer are included. Rocker light switches, a stainless steel sink with a solid surface cover, solid surface countertops, under-sink storage, storage drawers, and cabinets complete the

galley.

The aft deck features a 16,000 BTU Bridge A/C and approximately 73 square feet of integral, self-draining deck space. The command bridge stairway is integral to the deck and includes a stainless steel handrail. A custom aluminum electronics arch with an acrylic polyurethane surface coating and UV protection is accessible via five corrosion-resistant polymer access plates. A 25-inch stainless steel grab rail spans the lockers, and a 1.0-inch OD stainless steel handrail encircles the entire aft deck. The hardtop covers the entire aft deck, and a stainless BBQ grille is included. Four courtesy lights and two overhead lights, all recessed with exterior-mounted switches, illuminate the space. Upper and lower lockers with double doors and interior stainless steel restraining rails provide storage, while stereo speakers, an aluminum transom door with stainless steel hardware, and two wing doors offer access to the side decks. Two portable deck chairs and an ice maker next to the helm are included.

The master stateroom features three GFCI-protected 110V outlets, bedside end tables with solid surface tops and storage beneath, and a queen berth with an inner-spring mattress. The beige, tufted cut pile carpet is crush-resistant and made of 100% nylon. A sliding, tinted glass cockpit door in an aluminum frame includes a locking latch, inside deadbolt, and flush-mounted handle with an interior screen. A 12V safety systems DC distribution panel, designer curtains, and décor-matched designer décor enhance the space. The entrance door secures closed with an integral doorstop and stainless steel hardware. Cedar-lined hanging lockers with carpeted interiors, hanging bars, shelves, and automatic lights provide ample storage. A Quasar 13-inch TV/VCR, a 17-inch hanging bar, brass/chrome hardware highlights, two halogen reading lights, three halogen overhead lights, décor-matched miniblinds, screened port lights, rocker light switches, stereo speakers, four storage cabinets, three storage drawers, and a telephone connector complete the master stateroom.

The master head includes a GFCI-protected 110V outlet, an entrance door that secures closed with an integral doorstop and stainless steel hardware, and brass/chrome hardware highlights. A head fan, two halogen overhead lights, a mirrored medicine cabinet with two shelves, screened port lights with privacy glass, rocker light switches, a wall-mounted solid glass soap dish, a Vacu-Flush pedestal toilet, a toilet paper holder mounted in the vanity cabinet, a towel ring, and a vanity with a solid surface top and backsplash, an under-mounted stainless steel sink, a drawer below, and a cabinet below with a door complete the master head. The shower stall features an entrance door that secures closed with an acrylic in an aluminum frame, an integral bench seat, a halogen overhead light, an adjustable height shower head detachable for use as a hand shower, and a 14-inch towel bar.

The guest stateroom offers two GFCI-protected 110V outlets, bedside end tables with solid surface tops, and a queen island berth. The beige, tufted cut pile carpet is crush-resistant and made of 100% nylon. Designer curtains and décor-matched designer décor enhance the space. A pocket-style entrance door secures open and closed with stainless steel hardware. Cedar-lined hanging lockers with two 8.5-inch hanging bars, automatic lights, and integral door stops provide storage. Brass/chrome hardware highlights, a mirrored headboard, a circular overhead hatch with a 20.5-inch diameter, lockable with an inside screen over the berth, screened port lights, rocker light switches, carpeted step-ups next to the berth, storage beneath the berth, four storage cabinets, a telephone connector, and five halogen overhead lights complete the guest stateroom.

The guest head includes a GFCI-protected 110V outlet, a clothes hook on the entrance door, an entrance door that secures closed with an integral doorstop and stainless steel hardware, and brass/chrome hardware highlights. A head fan, two halogen overhead lights, three mirrored medicine cabinets with two shelves, a screened port light with privacy glass, a rocker light switch, a

Vacu-Flush pedestal toilet, a toilet paper holder, a towel ring, and a vanity with a solid surface top and backsplash, an under-mounted stainless steel sink, a drawer below, and two shelves below with a door complete the guest head. The shower stall features a décor-matched designer shower curtain, an entrance door that secures closed with stainless steel hardware and an integral doorstop, an integral bench seat, a halogen overhead light, a screened port light with privacy glass, a shower accessories cabinet with two mirrored doors, and an adjustable height shower head detachable for use as a hand shower.

The mechanical systems include two Cummins 6BTA engines with 370 HP each, with the starboard engine having 835 hours and the port engine 875 hours. The starboard engine was rebuilt at 525 hours. An Onan 10KW generator, Side Power bow thruster, dripless shaft logs, engine exhaust mufflers, welded and baffled 5052 aluminum fuel tanks, hydraulic steering, 4-blade 24X30 propellers, Aquamet 2-inch propeller shafts, 421 manganese bronze rudders, synthetic rubber composite cutlass bearings, 421 manganese bronze struts, stainless steel hydraulic trim tabs, and an oil change transfer system are included.

The electrical systems feature a Garmin 2010C chartplotter/depth, a Raytheon RL70C color chartplotter with 72-mile radar, a Raymarine 220 VHF radio, a Raytheon RP650 autopilot, an ITT Jabsco spotlight, a Maxwell 1200 windlass with all chain, AC/DC distribution panels with magnetic circuit breakers and integral bilge blower controls, an AC voltmeter, an AC ammeter, two deep cycle marine batteries (12V) and one Group 27 battery, two electronic battery chargers, external connectors for CATV and telephone, GFCI protection for all 110V outlets, a 50 amp shore power connector, two 50 ft. shore power cords, and a tinned copper strand wire harnessed, color-coded, labeled wiring system that meets or exceeds ABYC standards.

The construction features structural engine mountings with reinforced stringer

mountings and gusseted, angle steel plates, fabricated aluminum floor frames with stainless steel stanchions, hand-laid molded fiberglass components with composite laminate hullsides, decks, and cabintops, a molded fiberglass stringer system, cherry wood bulkheads, cabinetry, and trim throughout the cabin with a high gloss finish, solid fiberglass hull bottoms with Knytex substrates and a Vinylester barrier coat, tinted tempered safety glass frameless window systems, and unitized deck and cabintop construction with integral aluminum truss reinforcement in the cabin top structure.

# CONTACTS
