OVERVIEW

The Monachus 450 RS is a refined luxury motor yacht that marries indulgence with the spirit of exploration, crafted for active owners who demand both elegant styling and uncompromising capability. Certified to rigorous European CE Category A standards, this spirited express cruiser carries flowing, sculpted lines and delivers agile, trustworthy performance that inspires ease and confidence on every bluewater passage. The foredeck invites sunbathing and lively conversation upon premium Flexiteek synthetic teak, while the gracefully shaped aft cockpit, with its chic transom and seamless access to the swim platform, provides an open-air salon ideal for entertaining—an exceptional contemporary powerboat for those who cherish adventurous cruising.

DETAILED DESCRIPTION

Over view

Discover the Monachus 450 RC—where luxury meets performance in a refined 47-foot profile built to rigorous European CE Category A standards. This is the pinnacle of contemporary yacht craftsmanship: exquisite European design fused with uncompromising engineering to deliver the safety, seaworthiness, and precision active boaters demand. The optimized hull geometry, advanced hydrodynamics, and carefully managed weight distribution give the 450 RC a rare adaptability: glide in displacement mode for exceptional fuel economy, transition to semi-displacement for balanced range and speed, or unleash confident planing performance for thrilling passages across open water. The expansive foredeck becomes your private terrace—perfect for sunbathing, entertaining, or toasting sunset horizons—while robust construction inspires confidence when weather turns, ensuring every journey feels as smooth as it is memorable. Inside, the 450 RC embraces a semi-custom philosophy that puts you in command of your yacht's character. As your build takes shape, collaborate directly with the yard and master craftsmen to realize a layout and finish palette attuned to your lifestyle. Choose between two cabins, three cabins, or a dedicated crew cabin; tailor interior finishes and electronics packages; and select your preferred engine specifications—multiple configurations ensure the yacht performs exactly as you envision. Perfectly sized for South Florida waters and effortless island hopping, the 450 RC aligns European craftsmanship with the Florida boating lifestyle. Plan carefree day runs down to the Keys or set up boutique, small-scale charter operations; its dimensions and deck plan are ideal for Caribbean passages, yet it retains every luxury amenity that makes extended cruising a genuine pleasure. For qualified US buyers, the Monachus 450 RC can also be a strategic investment.

High-net-worth individuals may leverage 100% bonus depreciation under Section 179 for qualifying business-use yachts, enabling a full purchase price write-off. This significant tax advantage transforms ownership into a smart business decision—delivering both an elevated lifestyle and meaningful financial efficiency. Experience maritime excellence not only in the 450 RC but also in the Monachus 450 RS—crafted for connoisseurs who know the difference between owning a boat and commanding a vessel. With superior navigability, robust safety features, and elegant sophistication in every detail, it elevates expectations from first sea trial to long-term stewardship. Ready to experience excellence? Discover why the Monachus 450 RS is the purest fusion of performance, luxury, and investment potential—and contact us for full details on the Monachus 450 RS along with guidance on business setup opportunities.

Standart and upgraded version

In its standard specification, the Monachus 450 RC arrives fully prepared to cruise with confidence and style, with power supplied by twin VOLVO D6 engines with IPS 600 and a single joystick for fine maneuvering and fingertip control. Preparation and delivery include a white hull and deck as standard with painted hull and/or deck available on request, two coats of epoxy primer below the waterline, an antifouling bottom system with a hard first coat and a self-polishing second coat, commissioning in the water with twenty-five engine hours, and complete documentation comprising the builder's certificate and EC certificate. On deck every detail is conceived for secure passagemaking and effortless outdoor living: sturdy stainless-steel railings surround the decks, an anodized DELTA twenty kilogram anchor is supplied with seventy-five meters/245 ft of chain, a 1500 W anchor windlass is controllable from the helm, mooring hardware includes two bow cleats, two midship cleats, and two stern cleats, bow mooring rope leads are fixed on a wooden curb, full teak

decking with a teak deck curb enhances deck surfaces, twin handrails run along each side deck, bow sunbathing mattresses and cushioned aft cockpit bench seating are complemented by two foldable armchairs, a stainless-steel frame with awning and a dedicated windshield sunshade provide weather protection, an outdoor hot and cold shower is fitted, a stainless-steel gate bearing the Monachus insignia secures platform access, bathing stairs are provided, and a hydraulic bathing platform rated to 600 kg/1320 lb with a length of 125 cm/4,1 ft extends the swim area along with a pair of two-color underwater reflectors. The interior is crafted for light, flow, and practical elegance, beginning with a saloon entry door and a folding window that links the galley to the cockpit for seamless service; overhead two electric sliding hatches crown the wheelhouse while the helm includes a dedicated wheelhouse with an adjustable captain's seat and a side sliding window for the skipper. Modern canvas-style upholstery sets a refined tone and entertainment is anchored by a TV with digital antenna in the salon plus a Fusion marine music player with two speakers in the salon and two in the cockpit. The galley is comprehensively equipped with a sink and hot and cold water, a cooking top, pantry storage, a 140 L/36 US Gal refrigerator and an additional 40 L/10 US Gal freezer. Power and charging are thoughtfully distributed with 12 V USB connectors—two in each cabin and three in the salon—and 230 V sockets (115 V for USA) with three in the salon, three in the galley, and one in each cabin; sanitary systems use fresh-water flushing toilets with electric, vacuum, and silent operation. The navigation suite is mission-ready: a Garmin GPSMAP sixteen inch plotter/sounder at the helm integrates with Garmin radar displayed alongside the plotter, a Garmin VHF marine radio with AIS maintains communication and situational awareness, electronic engine controls paired with an engine performance display keep propulsion data visible, separate displays provide level indicators for all tanks and battery monitoring, a Garmin autopilot supports precise course-keeping, hydraulic flaps enable pitch and list trimming, an anchor chain controller with

an expiration counter streamlines anchoring, bow and stern thrusters with a joypad controller enhance close-quarters control, the horn is helm-controlled, windscreen wipers and washers operate from their dedicated display, and a DC 12 V/AC 230 V (AC 115 V USA) electrical switchboard protects every device with proper fusing. Comfort systems ensure year-round enjoyment and include a 24,000 BTU split air-conditioning system serving the aft cabins and salon, an additional 9,000 BTU unit in the master cabin, a 230 V 5.5 kW generator, a 230 V/12 V 60 ApH charger with 12 V/230 V (USA 115 V) 1000 W inverter, a 40 L/4,5 US Gal water heater, a 230 V (USA 115 V) shore-power socket and a 30 m/115 ft shore connection cable. Safety and docking support are comprehensive and discreetly integrated: three electric bilge pumps with indicators on the command console and a manual bilge pump, self-activating fire-fighting ampoules in the engine room, a carbon monoxide detector in each separate room, and a galvanic isolator to guard against poor shore grounding; mooring kit includes four mooring ropes, each fifteen meters/50 ft in length, six fenders, and a boat hook. For owners who desire an elevated, upgraded specification, a curated list of extra equipment allows bespoke tailoring of the 450 RC. Deck enhancements include a DELTA twenty kilogram anchor with stainless-steel anchor chain at 4,700 €; a stainless-steel rope pass eye at the bow (through-hull) for mooring lines at 2,800 €; UV-lacquered deck curb at 3,600 €; LED lights along the side-walk edges at 1,820 €; zip-fastened mesh sun curtains for the sides at 1,600 €; fishing rod mounting brackets at 450 € per piece; a live bait pool with size, placement, and pricing on request; a fishing chair with type, placement, and pricing on request; a GRP door with pantograph closure for platform access—recommended for big game fishing due to occasional dynamic reverse drive—at 3,600 €; a bathing platform for big game fishing with total length fifty cm available on request; and additional underwater reflectors at the rear or side at 1,200 € per piece. Interior upgrades invite bespoke comfort with custom selection of interior lining materials at 6,300 €; a three-cabin layout in lieu of the standard two-cabin arrangement at

6,600 €; a salon sofa convertible into a two meter x 1,4 meter bed at 2,300 €; a second drawer-type refrigerator at 2,750 €; an icemaker with a ten L/2,5 US Gal water tank fitted in the galley at 4,500 €; a Wallas oil cooker/heater in place of the electric cooker at 2,700 €; a dishwasher at 2,300 € or, alternatively, an oven in lieu of the dishwasher at 1,700 €. Navigation upgrades refine command capability with a remote control for the Garmin autopilot at 1,800 €; a unified remote control for engines, bow and stern thrusters, windlass, and horn at 11,350 €; a spotlight with helm control at 2,750 €; and a SiOnyx Nightwave camera at \$2,840. Comfort enhancements broaden autonomy and poise at sea with a 230 V 9 kW generator in place of the 5.5 kW unit at 5,700 €; a Quick 13K gyro stabilizer (including the 9 kW generator) at 72,700 €; a watermaker delivering eighty L/h at 12,600 €; a saltwater deck-wash pump and hose installed in the outer cockpit at 2,800 €; and a saltwater anchor-wash pump and hose located in the anchor locker at 3,350 €. Additional equipment beyond this list, as well as full boutique customization, can be installed upon request.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
