OVERVIEW

2023 Azimut Yachts Verve 47

A fully specified Azimut Verve 47 finished in painted Urals Grey from hull to hardtop, this high-performance outboard yacht blends Italian finesse with American power and true overnight capability. With 460 hours, meticulous service history, and Brunswick Passport Premiere warranty through 2029, the Mercury 450R outboards are properly run-in and poised for many seasons ahead.

Francesco Struglia's exterior and Michael Peters' patented Stepped V Ventilated Tunnel hull deliver the stance of a dayboat and the composure of an offshore yacht. Quad Mercury 450s produce a combined 1,800 horsepower, with published performance around 37 knots at cruise and roughly 50 knots at the top end. Below, it is a genuine two-cabin yacht rather than a console with a berth. On deck, it entertains as intended: fold-down side terrace, full cockpit galley, electric awning, and a bow that serves as both lounge and sunpad.

Specified to the top of the book and further enhanced with a Raymarine FLIR M332 thermal night vision camera.

Condition: maintained on an open checkbook, presented in exceptional condition, and ready for immediate use.
