## OVERVIEW

---

The 2024 De Antonio D50 Coupe is a bold 14.5 m luxury motor yacht and sport cruiser that balances speed, refinement, and comfort with effortless grace. Propelled by twin 600 V12 Mercury Verado outboards she reaches up to 46 kn, while an ultra-shallow 0.70 m draft lets her slip into secluded bays and shallow anchorages. Inside, two cabins, one bathroom, a generous salon and a fully appointed galley create a refined living environment that complements her athletic character. A dark grey hull, contemporary orange upholstery and upscale deck detailing heighten her presence, making this express cruiser dayboat and performance yacht ideal for coastal escapes and weekend cruising.

# DETAILED DESCRIPTION

---

## Deck and exterior

---

Underfoot, sophisticated synthetic teak Flexiteek decking sets a refined tone, while the bow anchor support with anchor, chain, and an electric windlass ensures effortless mooring. A sleek soft-top shades the social spaces, complemented by Lopolight LED navigation lights and subtle decorative LED lighting that washes the deck after dusk. Life outdoors centers around two deck tables, with easy water access via a bathing ladder and the reassuring touch of leather-finished handholds. Carbon trim on the bow shoulders and hull sides adds a contemporary edge, joined by a proud flagstaff, retractable aluminum cleats, and a freshwater deck shower. Hull side windows bathe the interior in natural light, and an XL hydraulic platform expands your private waterfront, while tailored covers keep every surface pristine when not in use.

## Comfort and upholstery

---

Settle into Morbern Sundance cushions and premium upholstery, specified in striking Modern Sundance Orange to make a bold yet sophisticated statement. Luxurious to the touch and engineered to resist the elements, this refined trim invites relaxation in every seat.

## Galley and services

---

Entertaining is effortless with an exterior galley featuring an 85L refrigerator, sink, induction hob, and microwave, supported by a 65L interior electric refrigerator and a second 85L exterior electric refrigerator to keep provisions perfectly chilled. Power up and stay connected via a 12V outlet with USB and cigarette-lighter points, plus a 220V outlet in the tender garage for convenient

tools and charging. Comfort prevails in every climate thanks to exterior deck air conditioning rated at 16,000 BTU and interior air conditioning delivering 28,000 BTU, all backed by a quiet, efficient 7 kW generator.

## Cabin and salon

---

Below, a tranquil forward cabin with a double bed promises restorative nights, while the aft salon transforms from a convivial U-shaped lounge into an additional double berth when evening falls. A fully appointed head with an electric WC completes the comforts that make extended cruising a pleasure.

## Electronics and navigation

---

Take confident command with a Simrad navigation system on a 12" display, paired with a second 12" Simrad display for expanded situational awareness, an autopilot for effortless course-keeping, and Skyhook for precise station-holding at the touch of a button. Communication stays crystal-clear via the Simrad RS20 VHF radio and antenna, while a powerful horn ensures you are heard. Entertainment comes alive through a Fusion RA70N series audio system with speakers, elevated by a high-end audio package that delivers rich, immersive sound throughout the deck and cabin.

## Safety and maneuvering

---

Navigate with assurance thanks to robust bilge pumps, a shore power inlet with cable and integrated battery charger, and the fingertip precision of a bow thruster when docking. Zipwake trim control continuously optimizes running attitude and efficiency, delivering a smoother, more composed ride in varying conditions.

## Extras and premium finishes

---

A distinctive dark grey gelcoat and dramatic underwater LED lighting underscore the yacht's premium character, turning every arrival and anchorage into a striking, unforgettable scene.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
