## OVERVIEW

---

“Godsend” is a freshwater-kept Sea Ray 47 Sundancer with two owners, remarkably low hours, and a level of care that leaves her feeling almost new. Thoughtfully outfitted for comfortable, confident cruising, she features a hydraulic swim platform and Zeus pods that were professionally resealed within the last two years; all maintenance is current, and indoor heated storage for this winter season is included in Algonac, Michigan.

Step aboard and you’ll find Sea Ray’s SkyFlow design drawing light and fresh air deep into the interior, where a rich, dark cherry high-gloss finish and wood flooring in the upper sunroom create an immediately warm, sophisticated atmosphere. The boat’s hardtop coupe lines promise performance and poise while the generous galley, abundant storage and social layout invite effortless entertaining for family or two couples. A three-panel door with a flush threshold yields a seamless flow between cockpit and salon, and a custom Phantom retractable screen for the aft three-panel door wall keeps breezes in and insects out.

The climate-controlled cockpit “sunroom” is a standout, with opposing seating beneath a large electric sunroof and sunroof shades, while an extendable cockpit sunshade covers every seating position to tailor shade as you wish. Inboard propulsion with Joystick Control paired to upgraded Zeus QSB 6.7 480 HP HO engines provides precise, confident docking, and the Zeus pods—recently resealed—ensure smooth, reliable performance.

Accommodations include two private staterooms with double berths and en-suite heads, upgraded smart TVs in the salon and master (the salon TV neatly relocated to a starboard ceiling mount), custom cellular blinds in the upper salon and helm, and all-new salon and helm upholstery for a fresh, modern look. Practical comforts abound: an all-chain windlass with stainless-steel anchor, oil-change system, macerator with seacock, central

vacuum system, underwater lights, and a cockpit grill for easy alfresco meals. Navigation and electronics are well specified with Raymarine E165W chartplotter/radar plus an E165W auxiliary display and a Raymarine fishfinder, complemented by a remote spotlight.

A polished cruising yacht that harmonizes performance, style and comfort, "Godsend" stands ready as an upscale motor yacht, express cruiser and sport yacht for your next voyage.
