OVERVIEW

Великолепная 47-футовая яхта Sea Ray Sedan Bridge "SOMEDAY CAME" 2008 года выпуска представляет собой образец безупречного стиля с элегантным белым корпусом. Большую часть времени она провела на северо-востоке США, что позволило сохранить её внутреннюю отделку в превосходном состоянии, в отличие от многих аналогичных моделей на юге. В 2022 году нынешний владелец перевёз её на Сент-Томас, чтобы насладиться несколькими годами исследования островов.

"SOMEDAY CAME" легко доступна для осмотра, пришвартована в престижной марине на Сент-Томасе, всего в нескольких минутах от местного аэропорта. При возвращении в континентальные США не потребуется уплата пошлин.

Эта яхта оснащена мощными дизельными двигателями Cummins QSC-600 с чуть более 1,300 часами работы, и все технические обслуживания проводились своевременно. Генератор, с наработкой около 2,200 часов, функционирует как новый. Все системы находятся в отличном рабочем состоянии, а 1,000-часовое обслуживание было выполнено перед её отправкой на Сент-Томас.

ИЗЫСКАННАЯ ПЛАНИРОВКА С 2 КАЮТАМИ И 2 САУЗЛАМИ —
ПОЛНОШИРИННАЯ ГЛАВНАЯ КАЮТА — ОЧЕНЬ ПРОСТОРНАЯ ДЛЯ
47-ФУТОВОЙ ЯХТЫ

Среди обновлений можно выделить гидравлическую платформу для купания, современные электронные системы Garmin с радаром, интернет STARLINK, беспроводное управление Dock Mate, обновлённую аудиосистему Fusion, носовые и кормовые триммеры, кондиционер на флайбридже, подводные огни и 10-футовую надувную лодку с мотором Honda 20HP. Эта яхта на продажу представляет собой уникальную возможность для тех, кто ищет яхту в этом регионе. Не упустите шанс

стать владельцем этой великолепной яхты, исследуя предложения в текущем местоположении.

DETAILED DESCRIPTION

Key features & upgrades

This yacht boasts an exceptional selection of features and enhancements that guarantee an unparalleled maritime journey. At the helm, you'll discover dual Garmin MFDs paired with a Garmin Radar, offering cutting-edge navigation technology. The Fusion system provides effortless audio management both at the helm and in the cockpit, elevating your onboard entertainment experience. Communication is strengthened with an additional Garmin VHF and a second antenna, ensuring dependable connectivity.

For those who prioritize connectivity, the yacht is equipped with a Starlink Mobile Dish and Router, featuring a prominent antenna for optimal signal reception. Docking is simplified with the Dock Mate Wireless Docking Controls, while security is heightened with an Amcrest Security Camera System offering remote monitoring capabilities. Although the Siren System is currently inactive in the USVI due to carrier issues, it remains a significant feature.

The yacht's visual and functional allure is further enhanced by underwater lights, creating an enchanting atmosphere. Recent improvements include a new refrigerator installed in November 2022 and a cockpit icemaker added in October 2023. Comfort is emphasized with a new HVAC unit in the master stateroom, set for installation in December 2024.

Maintenance and performance are paramount, as demonstrated by the recent application of bottom paint and prop speed in October 2024. The vessel is outfitted with a 10-foot Inmar RIB featuring a console and a Honda 20HP outboard, ideal for exploring nearby waters. Key components such as rudder seals and shaft seals were replaced in October 2023, and a Dri-Bilge System was installed the same month.

The yacht's engine and generator are slated for service in May 2024, ensuring

optimal performance. Furthermore, all four AGM batteries were replaced in October 2023, providing reliable power. Notably, a thorough 1,000-hour service was completed before the vessel's voyage to St. Thomas, highlighting the yacht's readiness for adventure.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
