DETAILED DESCRIPTION

Section name

This 2007 Meridian 459 is an extraordinary yacht, ideal for those who aspire to sail the open seas or reside aboard in opulence. Poised for its next journey, this vessel combines performance, comfort, and elegance in a way that is truly unparalleled. Having completed an extensive 1000-hour service, all mechanical and electrical systems are in prime condition, ensuring peak performance and reliability for its future owner.

The interior has been completely refurbished, offering a fresh, contemporary, and inviting living area that is sure to captivate. The generous layout features an expansive salon, two cabins, and two bathrooms, providing plenty of space for relaxation and entertaining guests. The flybridge offers sweeping views and is outfitted with seating for several guests, making it the perfect spot to enjoy the surroundings. Moreover, the shaded cockpit area provides an ideal escape for those seeking a more tranquil environment.

This Meridian 459 has been carefully maintained, with consistent upkeep and enhancements throughout its lifespan, ensuring it remains in superb condition. A substantial aluminum swim/dive ladder has replaced the tender davit, enhancing the yacht's functionality and allure. Additional photos of this magnificent yacht will be available soon, but don't miss the chance to own this exceptional vessel that offers both adventure and luxury on the water.

Propulsion

The heart of this yacht's propulsion is the esteemed Cummins engine, particularly the QSB5.9 model. Celebrated for its dependability and efficiency, this inboard engine is ideal for those who prioritize performance and longevity

on the water. The direct drive system amplifies the yacht's capabilities, offering seamless and agile maneuvering. Powered by diesel, this configuration guarantees excellent fuel economy and power, enabling long-distance cruising without the need for constant refueling. Together, these attributes make the propulsion system not only sturdy but also perfectly tailored for both relaxed cruising and thrilling adventures.

Specifications

This yacht features remarkable specifications that seamlessly blend comfort with practicality. Stretching 47 feet in length, it provides generous space for both leisure and social gatherings. With a beam of 14.33 feet, the yacht ensures a stable and roomy atmosphere on board, while a maximum draft of 3.83 feet allows for adaptable navigation across diverse water conditions.

Equipped with ample tank capacity, this yacht is prepared for extended voyages. It includes a fresh water tank holding 90 gallons, ensuring an adequate supply for all onboard requirements. The fuel tank, with a capacity of 330 gallons, supports long-range cruising without frequent stops for refueling. Additionally, a 50-gallon holding tank is available, offering convenience and efficiency in waste management.

The yacht's accommodations are crafted with comfort as a priority, featuring two elegantly designed cabins and two heads. This arrangement guarantees privacy and ease for all guests, making it an excellent choice for both brief escapes and extended journeys. The combination of these features makes this yacht an ideal fusion of luxury and functionality, perfectly equipped to handle any maritime adventure.

Other details

In offering the particulars of this yacht, the Company endeavors to deliver

precise and thorough information. Nonetheless, it is crucial to acknowledge that the Company cannot assure or guarantee the accuracy of the details provided, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any specifics they consider essential. This yacht is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notification.
