OVERVIEW

The 470 SKY arrives as a confident new voice in the Galeon Third Generation line, drawing fresh inspiration from the admired 460 FLY while retaining the proven hull and main-deck arrangement to maximize interior volume for guests and activities. Its SKYDECK is the composition's centerpiece: taut, graceful surfaces give the silhouette of a sleek hardtop motor yacht, yet a discreet upper deck lies beneath a soft-opening roof. Above, a fully equipped helm and an inviting lounge form a genuine sport flybridge that marries the liberating outlook of a flybridge yacht with the composed, coupe-like demeanour of a performance cruiser—an ideal choice for owners who desire a refined sportfly experience.

On the main deck a carefully specified galley and convivial dinette sit alongside generous stowage, keeping provisions and gear perfectly organised. Engage Beach Mode to lower both bulwarks and convert the cockpit into an expansive waterside terrace tailored for entertaining. Owners may select among three adaptable cockpit layouts, including the popular rotating seat arrangement, and the foredeck can be finished with an automatic settee for effortless alfresco comfort. Below decks three cabins and two bathrooms accommodate up to six: guests are housed in a forward double and a starboard bunk cabin, while a full-beam owner's suite amidships offers a private ensuite for the utmost discretion. A consummate polished cruiser in every respect.
