## OVERVIEW

---

A rare opportunity: a Gran Turismo GT 45 from 2016 with only 300 engine hours, presented in meticulous condition. This vessel is a true luxury motor yacht with the spirited character of a sport-cruiser and the purposeful lines of an express cruiser hardtop. She is driven by VOLVO IPS600 pods with joystick control (2 x 440 ch), a powertrain that delivers exemplary handling, smooth performance and whisper-quiet cruising — ideal as a cabin cruiser for coastal voyages or refined weekend escapes. Inside, elegant Marlin Auster upholstery dresses two cabins and two full bathrooms, while a bright lower saloon offers the comfort and atmosphere expected of a genuine cruising yacht.

The Comfort finish elevates onboard living with a cockpit refrigerator, an immersive Fusion audio system, wide sliding windows to port and starboard for natural ventilation, and an electrically retractable TV in the cockpit for open-air cinema evenings. The Electronic Pack places navigation and connectivity at the level of a modern powerboat: induction charging station for smartphones, Ship Control interface (web server) to manage onboard systems, Garmin Broadband 4G radar, Garmin 8416 multifunction display with built-in sounder, precise Garmin autopilot, and VHF 315 paired with Garmin 800 AIS for calm and confident passages.

Thoughtful options further enhance capability and enjoyment: an electrically opening hardtop roof over the cockpit, a complete anchoring kit, protective covers for forward and aft sunbeds, a bow thruster for stress-free berthing, a 7.5 kVA generator (230 V) for autonomy at anchor, a Kenyon electric grill mounted on the bathing platform, an ice maker for instant refreshments, 24,000 BTU cabin air conditioning, a 230 V converter, and the Zipwake automatic trim system. Aft hard-top lighting and an underwater spotlight amplify evenings at anchor, while an automatic engine-room fire extinguishing system increases safety.

Designed for life afloat, the yacht features a tender-launch system with winch and rollers, Garmin Surround View 360° cameras (four-side plus aerial view), and warm teak decking across the cockpit sole, aft deck and the expansive hydraulic platform — a true beach club that brings the sea to your feet.

Included extras comprise a Zodiac 230 tender with a Suzuki 4 hp engine and a manual teak passerelle, perfect for exploring secluded coves.

This hardtop coupe, with timeless styling, abundant equipment, refined deck ergonomics and exemplary maintenance, is ready to go without compromise. Lease takeover is possible with a down payment of 270 k€ and monthly payments of 3,150.24 € over 13 years, offering access to an icon of contemporary yachting that combines elegance, power and effortless usability.

## DETAILED DESCRIPTION

---

### Lol

---

Elevated by a comprehensive suite of premium options, this yacht welcomes you with Marlin Auster cockpit upholstery and an electric opening sunroof that floods the hard-top cockpit with air and light. Practicality meets poise with a complete anchoring kit, protective covers for the forward and aft sunpads, and a bow thruster that makes close-quarters handling effortless. At sea, comfort is assured by a 7.5 kVA, 230 V generator, a 230 V inverter, and refined cabin air conditioning delivering 24,000 BTU, while an ice maker and a Kenyon electric grill on the bathing platform set the stage for relaxed entertaining.

Performance and safety are heightened by the Zipwake automatic trim system, an automatic engine-room fire-suppression system, and Garmin Surround View cameras covering all four sides plus an overhead unit. A full exterior wrap adds protection and polish, complemented by aft hard-top lighting and an underwater spotlight for an alluring night-time silhouette. Deck sophistication continues with a teak cockpit sole and aft deck, joined by a hydraulic, lowering stern bathing platform also finished in teak, and a tender launch system with winch and rollers that makes deployment seamless. Added options include a Zodiac 230 tender with a Suzuki 4 hp outboard and a manual teak passerelle, completing a specification that balances elegance, utility, and pure pleasure.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
