OVERVIEW

The Sealine T50 "No Way" presents itself as a distinguished entry-level flybridge yacht, offering three generously proportioned cabins and the reassurance of both bow and stern thrusters for effortless handling. A standout feature is the hydraulically extendable cockpit, which enlarges the aft living space at the touch of a button, blending convenience with thoughtful engineering.

Light pours into the interior through forward skylights positioned in the saloon and the VIP cabin, while the full-beam Master cabin provides a tranquil, spacious sanctuary at the heart of the hull. With an expansive flybridge and a welcoming foredeck, this yacht is designed to host unforgettable family gatherings and leisurely days afloat. Explore yacht sales in the current boat location and seize the chance to acquire a vessel that harmonises luxury and practicality. DETAILED DESCRIPTION

Upgrades

This yacht has undergone a comprehensive series of upgrades, ensuring it is equipped with the latest technology and comforts for an exceptional maritime experience. The current owner has added a state-of-the-art radar system in 2024, alongside an upgraded AIS that enhances navigational capabilities, and the plotters were upgraded in 2022 to provide precise and reliable charting. Comfort on board is prioritized with the installation of two new air conditioning units in the galley area in 2024, complemented by a new fridge added in 2022, while the flybridge has been enhanced with a new grill and cooler installed in 2024, creating an ideal space for entertaining. The galley area has received a fresh look with new headlining, and the entire yacht benefits from a full set of winter covers added in 2023. Mechanical reliability is assured with a rebuilt port gearbox and a new oil cooler for the port engine, both completed in 2023, and all coolers were cleaned out between 2023 and 2024 with both fuel lift pumps replaced in 2023. Further practical upgrades include a new grey water tank for showers, a new VHF installed on the flybridge, and a meticulous polish of the topsides carried out in July 2024, while the anchoring system has been bolstered by a new windlass installed in 2023. The hull was meticulously sanded down to zero and treated with a Boero basecoat in 2024 to ensure a pristine finish, and new underwater lights and a lower unit for the bow thruster were also added in 2024 to enhance both aesthetics and maneuverability. Soundproofing has been improved with new engine soundproofing installed in 2023, and an engine service is scheduled for November 2024 to maintain peak performance; all batteries were replaced in 2022 to ensure reliable power. The interior has been refreshed with new wrapping in 2024 and a new smart system has been integrated for enhanced

connectivity, while practical conveniences include a new washer/dryer added in 2023 and a new bilge pump and gear pump installed in 2024, leaving the yacht well-prepared for any voyage.

Key features

This exceptional fifty-foot yacht offers a luxurious experience with its three spacious guest cabins, providing ample accommodation for family and friends, and benefits from EU VAT paid for a smooth and hassle-free ownership experience within European waters. In 2024 the yacht underwent numerous upgrades that enhance both functionality and aesthetic appeal, while maneuvering is made effortless by the inclusion of bow and stern thrusters, allowing for precise control in tight spaces. Inside, the yacht boasts a bright and inviting interior that creates a welcoming atmosphere for all on board, combining elegant styling with practical layout to deliver a superb onboard living experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
