## OVERVIEW

---

Lying in Ibiza, Spain, this timeless 1996 Sunseeker Superhawk 48 embodies a rare fusion of elegance and exhilaration, a performance motor yacht whose sculpted silhouette and taut lines announce its sporting intent while promising refined comfort. Crafted as a standout sports cruiser and express cruiser, she channels Sunseeker's high octane heritage, offering thrilling runs and composed handling courtesy of her twin Volvo Penta D6 engines. Recent attention to her appearance and comfort includes a fresh vinyl hull finish, renewed upholstery throughout, and new Sea deck decking underfoot, each enhancement preserving the yacht's athletic look while elevating onboard livability. Below decks, the cabin unfolds as a tranquil, well planned retreat: spacious, inviting and intelligently arranged for effortless living on coastal passages or extended days afloat. Above, generous sunpads and a thoughtfully conceived open cockpit create an ideal stage for leisure and entertaining, turning every hour under the sun into a moment to savour. More than simply a powerboat or day boat, the Sunseeker Superhawk 48 is an open cruiser that speaks of power, luxury and enduring taste, equally likely to thrill seasoned yachtsmen and to enchant those new to performance yachting. The photos depict the actual vessel and were taken within the last couple of months.
