OVERVIEW

Captain-kept 2023 Tiara 48 LS berthed in Port Austin, Michigan, PepSea presents with low hours and the peace of extended engine warranties that remain in effect through August 2028. Recently equipped with a new generator, she is finished with striking custom metallic crimson hull sides complemented by refined grey synthetic decking, and benefits from fresh bottom paint. Navigation and communications are up to the highest standards with Starlink, satellite weather, and a VHF radio offering AIS transmit and receive, while Tiara's hallmark luxury is underscored by a comprehensive Garmin electronics package displayed across three large screens. Comfort and convenience are addressed with power-folding antennas, an ice maker, full canvas and engine covers, a Seakeeper SK6 for exceptional stability, and both fresh- and raw-water washdowns. The cockpit lifestyle is enhanced by a drop-down beach terrace and the highly desirable rotating aft lounge, elevating her dayboat appeal, and electronic sliding side doors together with a retractable aft window allow the helm to be completely enclosed and climate-controlled with heat and air conditioning to extend the cruising season. Asking \$1,150,000.
