## OVERVIEW

---

Listed price is offered as a guide; sincere offers will be received with respect. Handcrafted by Mockingbird Marine in Texas, this Sportfish 48 combines performance and refinement into a single, purposeful vessel. At 48 feet overall, she moves effortlessly between roles as a true sportfisherman and a convertible sport yacht—equally suited to charter service, tournament competition, offshore bluewater expeditions, or the quiet sophistication of motor yacht cruising. With a commanding presence at the dock and deliberate capability at sea, she is as comfortable hosting a sunset cocktail cruise as she is chasing pelagics miles offshore. This is a capable 48-foot fishing machine not to be overlooked.

Carefully maintained and ready for immediate enjoyment, the yacht presents in strong overall condition. A wide, uncluttered cockpit welcomes serious anglers and supports efficient fishing operations, while the interior is appointed for comfort and refinement during extended stays. The layout has been conceived to serve both avid fishermen and family cruisers, achieving a graceful balance between practical function and onboard luxury.

Navigation and fish-finding are well supported by quality electronics, including Garmin GPS for reliable positioning, a Furuno depth sounder for precise bottom and fish detection, and Furuno radar for confident passage-making in variable conditions—tools that translate directly into productive days on the grounds. A trailer is not included in this sale.

Domestic and international transport can be coordinated through certified marine carriers, with custom cradles and delivery to port available for export. Trailer solutions may be procured separately through affiliated providers; logistical planning and quotations can be arranged upon request.

Prospective buyers should carefully review the engines and machinery notes: no representation is made regarding the condition of motors, engines, or

onboard systems. While photographs may depict the machinery spaces, verification of actual condition is strictly the buyer's responsibility. Do not assume that accessories or loose equipment are stored elsewhere; the vessel is sold exactly as viewed. Any offer or bid should be made based solely on the items and condition present at the time of inspection.

All particulars are presented in good faith but are not guaranteed; buyers should independently confirm any details they deem material. The vessel is offered subject to prior sale, price adjustment, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranties—express or implied—including any warranty of merchantability or fitness for a particular purpose. No verbal statements shall alter these terms.

A versatile, charter-ready sportfisher and luxury cruiser in one, this offshore fishing yacht stands prepared for her next chapter.
