OVERVIEW

ISLAND GIRL

ISLAND GIRL, a 1997 OFFSHORE YACHTS Sedan measuring 48 feet LOA, delivers the comfortable ride, practical layout, and quality construction that have earned Offshore Yachts enduring regard among seasoned cruisers. Finished with warm satin teak joinery over a teak-and-holly sole, she features a galley-up arrangement and a functional two-stateroom, two-head configuration, suiting owner-operators who prize clear sightlines and welcoming accommodations.

A semi-displacement hull with partial keel, fiberglass construction, and a 15'6" beam provide a confident, stable platform underway, while the spacious salon, forward master, port guest cabin, and flybridge with bimini top create an inviting setting for weekends aboard or extended coastal passages. Thoughtful exterior details include a starboard transom door, full walk-around covered side decks with high bulwarks, molded fiberglass swim platform, Maxwell windlass, fiberglass radar arch, cockpit wet-bar sink, hot/cold cockpit shower, a dinghy davit on the port boat deck, and varnished teak cockpit cap rail.

Power comes from twin Caterpillar 3126-TA diesels rated at 420 HP each, replaced by Caterpillar in January 2006 and showing approximately 2,000 hours. Equipment highlights include an 8 kW Northern Lights generator, Side-Power bow thruster, Garmin electronics, Dometic reverse-cycle air conditioning, an inverter/charger, and a well-sorted anchoring and navigation suite.

DETAILED DESCRIPTION

Hull & Deck

ISLAND GIRL is a 1997 Offshore Yachts Sedan, 48 ft in length. The hull features solid FRP below the waterline and sandwich-cored construction above the waterline, while the deck is a cored fiberglass surface finished in off-white gelcoat with a diamond-textured non-skid pattern. The exterior presents an off-white gelcoat complemented by blue boot stripes and blue bottom paint. Molded fiberglass bulwarks are installed, capped with a varnished teak rail at the cockpit only. A white composite rub rail with a stainless striker strip runs along the vessel. The yacht includes a molded fiberglass swim platform, a starboard transom door, and access doors on both the starboard and port bulwarks. Shestakov Yacht Sales.

Layout & Accommodations

ISLAND GIRL is a 1997 OFFSHORE YACHTS Sedan, 48 ft LOA. The interior presents a two-stateroom, two-head arrangement with a forward master stateroom and a port-side guest stateroom. Two heads and a shared shower are located to starboard. The salon offers an L-shaped settee to port with a hi low expandable table, and forward of the L settee is a built in teak desk with drawers. Additional seating is provided to starboard. The galley is up, port forward, and the interior helm is to starboard. Starboard interior stairs lead to the flybridge, with port and starboard access doors to covered full walk around side decks. Warm satin finished teak cabinetry and trim, a teak and holly cabin sole, and a textured vinyl headliner complete the accommodations.

Interior Features

ISLAND GIRL, a 1997 OFFSHORE YACHTS Sedan with an overall length of 48 ft, presents a satin-finished teak interior accented by varnished interior doors and plentiful storage offered by lockers, drawers, and shelving throughout. The salon hosts a Samsung flat-screen television, a Sony stereo, and a Blu-ray player. For climate comfort, three Dometic reverse-cycle air conditioning systems are in place, each with a 16,000 BTU air handler and digital controls.

Galley

Designed in a galley-up layout, the galley houses two distinct undercounter refrigeration units—one refrigerator and one freezer. Culinary equipment includes a KitchenAid two-burner ceramic glass cooktop and a Frigidaire microwave oven. A stainless steel sink with separate basins completes the space.

ISLAND GIRL, 1997, OFFSHORE YACHTS, Sedan, 48 ft.

Engines & Mechanical

ISLAND GIRL was constructed in 1997 by Offshore Yachts, as a model Sedan measuring 48 feet overall. She is propelled by twin Caterpillar 3126-TA diesel engines, delivering 420 HP each (installed January 2006), turbocharged and aftercooled, equipped with AirSeps, and currently showing approximately 2,000 engine hours. The vessel features hydraulic throttle and shift controls and a closed cooling system. Shestakov Yacht Sales

Running Gear

ISLAND GIRL is a 1997 OFFSHORE YACHTS Sedan, 48 ft LOA. The yacht employs

direct drive with an approximate 2.00:1 gear ratio. Propulsion features stainless steel prop shafts, 2" in diameter, turning bronze 4-blade propellers (a spare set is stored in the engine room). Dripless shaft seals and line cutters are installed. Bronze rudders are fitted, and Bennett 12V electro-hydraulic trim tabs provide precise trim control. Shestakov Yacht Sales.

Generator/Electrical

ISLAND GIRL, built in 1997 by Offshore Yachts as a Sedan, measures 48 ft in length overall. The vessel features a 12V DC electrical system and 120/240V AC shore power at 60 Hz, supported by two 50-amp shore power inlets—one in the cockpit and one at the starboard midship. A Northern Lights 8 kW generator currently shows approximately 3,125 hours as of May 2026, with a Group 31 12V battery allocated to start the generator. The yacht is equipped with six 12V flooded lead-acid batteries serving the engines and house systems, with new batteries installed across the system in March 2026. A Victron MultiPlus-II 12/3000/120-50 2x120V inverter/charger was added in May 2026, complemented by a 12V/30-amp battery charger. Sales are handled by Shestakov Yacht Sales.

Tanks

ISLAND GIRL, a 1997 OFFSHORE YACHTS Sedan with a length overall of 48 ft, carries 600 gallons of fuel stored in four steel tanks and 240 gallons of water in two steel tanks. The hot water heater capacity is 17 gallons. A Type III MSD holding tank system is installed. Shestakov Yacht Sales.

Steering & Handling

ISLAND GIRL, a 1997 OFFSHORE YACHTS Sedan 48 ft, is fitted with SeaStar

hydraulic steering and a Sleipner Side-Power 12V bow thruster. The steering hardware comprises stainless rudder stocks, bronze upper rudder bearings, and dripless rudder shaft seals. Shestakov Yacht Sales.

Electronics & Navigation

ISLAND GIRL is a 1997 OFFSHORE YACHTS Sedan, 48 ft LOA. The onboard electronics and navigation suite includes a Garmin GHC-10 autopilot; Garmin xHD2 open-array radar; Garmin GPSMap 5212 and Garmin GPSMap 4208 chartplotters; a Garmin XSV 12 chartplotter with radar, depth and speed display and color fishfinder; a Garmin 76Cx handheld GPS; two Icom CommandMic VHF radios; a Yaesu System 600 single side band radio; a Ritchie 4" compass; a Fusion Apollo stereo with MP3 and satellite radio capability; a Fusion amplifier; Klipsch interior speakers; and Fusion exterior speakers.

Deck & Exterior Equipment

ISLAND GIRL is a 1997 OFFSHORE YACHTS Sedan, 48 ft LOA. The deck and exterior gear feature a Sunbrella bimini top with stainless support piping, a fiberglass radar arch, a cockpit wet bar sink, and a hot/cold cockpit shower. The vessel is equipped with a tempered glass windshield with wipers and washers and a tinted acrylic flybridge spray shield, complemented by stainless steel rails and grab rails. A dinghy davit/crane is mounted on the port boat deck. Anchoring and windlass equipment include a Maxwell VW1000 12V windlass, about 150 ft of 10mm galvanized anchor chain, and a 45 lb CQR galvanized plow anchor. Additional exterior fittings comprise a deck/step box on the flybridge, exterior covers, and dock lines and fenders. Shestakov Yacht Sales.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
