OVERVIEW

Current asking figure is an indication only; all sincere offers are welcome and will be considered with respect. The Californian 48 Motor Yacht is renowned for its solid build, meticulous workmanship, and an elevated finish underscored by rich teak joinery. This classic aft-cabin motor yacht features a three-stateroom, three-head layout, a generous hard-enclosed aft deck and an easy-to-work galley, making her both an attractive liveaboard and a capable coastal cruiser. At 48 feet, she presents an elegant platform with the pedigree to reward the next owner's vision.

This particular example shows signs of deferred maintenance yet remains largely original and complete. A refit was begun but paused after the Covid period, and the vessel has been held ashore mid-project since that time. New electronics are on board and awaiting installation, while planned interior refinishing was never started. The boat therefore requires a thorough exterior detailing, a full interior refit and the routine recommissioning services typically needed following time on the hard. Several windows have leaked, producing water staining and localized wood deterioration. One engine was in the middle of service when work stopped; both twin diesel engines reportedly operated correctly and had recent rebuilds prior to being hauled for refit. For a hands-on owner-operator or a professional yard, she is a compelling restoration candidate capable of returning to service as a graceful liveaboard cruiser and long-weekend motoryacht. Viewings of this substantial flybridge aft-cabin yacht are welcomed—please arrange an inspection and submit your proposal.

A trailer is not included in this sale. Nationwide and international transport solutions can be arranged, including custom cradle fabrication and delivery to port for export; logistics coordination and quotations are available upon request.

Please refer to the machinery notes below regarding engines and systems.

Machinery and systems disclaimer: no representation is made as to the condition of the engines, generators, or mechanical equipment. Photographs may depict the engine room and ancillary machinery, but it is solely the buyer's responsibility to inspect and determine their actual condition.

Do not assume that accessories or loose gear are included or stored off the vessel. This yacht is offered strictly as viewed; prospective buyers should base offers on her present inventory at the time of inspection. General disclaimer: particulars are provided in good faith but are not guaranteed, and neither accuracy nor condition is warranted; buyers are encouraged to verify any details of importance. The vessel is offered subject to prior sale, price change, or withdrawal without notice.

All marine assets, whether owned or brokered by the seller or its affiliates, are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED. NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLY. No verbal statements shall alter the terms of sale.
