## OVERVIEW

---

The 2025 Zeelander 48' Z5 is sculpted confidence on the water, a 48 foot expression of contemporary yachting that marries sculptural lines and sensuous tumblehome with modern engineering. Built from an advanced fiberglass composite and riding on a semi displacement hull, she offers a composed, whisper quiet passage that translates classic aesthetic cues into a refined, modern sport cruiser.

Power comes from triple Volvo Penta inboard diesels that deliver silky, assured thrust and economical cruising for coastal jaunts or extended weekends. The hull's seamless shift from displacement serenity to lively cruising rewards the helmsman with precise handling and a dry, controlled ride even when seas become lively. With 528 gallons of fuel and 158 gallons of freshwater aboard, the Z5 is equipped for extended exploration and comfortable off grid stays without compromise.

Boarding reveals an effortless indoor-outdoor choreography: an expansive cockpit for leisurely afternoons and moonlit evenings flows into a salon framed by panoramic glazing that illuminates exquisite joinery, premium upholstery, and carefully considered lighting. Below decks, thoughtfully appointed cabins turn overnight stays into restorative retreats, and a well equipped galley is ready for anything from casual meals to gourmet fare. Practical luxury is evident in wide, secure side decks, a generous swim platform that welcomes the water, discreet storage that preserves a clean aesthetic, and systems engineered for easy ownership.

Offered in the United States with model year and build year 2025, the Zeelander 48' Z5 blurs categories with rare finesse: a true luxury motor yacht with the agility of an express cruiser, downeast inspired elegance reimagined as a modern sport cruiser, and a refined open coupe that serves equally well as a sophisticated dayboat or the perfect weekender. For those who demand a

yacht that thrills underway and enchants at anchor, the Z5 answers in style.

# DETAILED DESCRIPTION

---

## Main description

---

Behold "Hope." She is the stunning Zeelander Z5, a hand-built Dutch masterpiece from the venerable Zeelander Yachts in Groot-Ammers, Netherlands. Delivered and turning heads for the first time on US shores at the Port of Palm Beach on New Year's Eve, this highly optioned 2025 Z5 was specified by her buyer for beauty, efficiency, and speed—and she excels at all three. Finished in handsome Silver Tempest Metallic Awlgrip and, notably, one of only two US Z5s fitted with triple 480 hp Volvo D6 engines mated to IPS 650 pod drives, she has handled the Palm Beach shores and Nantucket Sound with equal grace and capability. With her owner's yachting needs now changed, she is offered for immediate purchase and is ready for her new home. Prospective buyers should consider this 2025 Z5 the perfect alternative to new: there is no build time, there is no tariff, and there is no increased base price to absorb. Tax and tariff are paid, and she is ready for immediate delivery in the South Florida area. A complete list of specifications is available to earnest buyers or their representatives. Viewings are by advance appointment only; please allow a minimum of 24 hours for us to accommodate your request for a showing.

## Exclusions

---

Seller's personal effects on board at the time of the vessel survey are excluded.

## Mechanical disclaimer

---

Engine and generator hours are stated as of the date of the original listing and reflect information provided to the listing broker by the owner and/or the actual readings from the engine hour meters. The broker cannot guarantee the

true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, any warranties, whether implied or otherwise, and major overhauls, as well as all other representations noted in the listing brochure.

## Disclaimer

---

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor the condition of the vessel. A buyer should instruct his agents or his surveyors to investigate any details the buyer wishes to have validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
