DETAILED DESCRIPTION

Extra details

Meticulously specified for effortless handling and luxurious liveability, this yacht is equipped with a Fischer Panda eight kW diesel generator, a bow thruster with Aquamatic Joystick, complemented by Bennett trim tabs and an additional thruster for precise manoeuvring. The Style package defines the visual theme and is paired with teak on the cockpit floor, an eighty-liter cockpit refrigerator and cockpit cushions in Suntex Diamond Stitching, while the exterior lighting package adds underwater, step, engine compartment and running deck illumination, echoed by a comprehensive interior lighting arrangement that enhances ambiance beneath deck. Comfort is raised by a high-quality cold-foam mattress with a viscose layer, a foredeck sun cushion with folding backrest, louvre blinds in the saloon, aft and forward cabins, a leather-covered handrail on the companionway and a sliding door in a white louvre design with a tinted viewing window, all selected to combine practicality with refinement. Ground tackle is secured by a twenty-kilogram Delta anchor with fifty meters of galvanized chain, and onboard entertainment is delivered through the Fusion Marina audio package. The Navigation Advanced suite brings a SIMRAD NSS evo3S twelve-inch multifunction display with transducer for depth, speed and temperature, a SIMRAD RS40 VHF with integrated AIS receiver plus a SIMRAD HS40 wireless handset, an autopilot with steering compass and a rear-view camera, further augmented by a SIMRAD HALO 20 radar to ensure confident passage-making. Command comforts include a helmsman's platform with an adjustable steering wheel, a remote-controlled LED searchlight, Yachtcontroller NEMESIS, GLOMEX Webboat wireless connectivity and an SD memory card for recordings, while a dark-colour bimini provides welcome shade. A hydraulically lowerable teak-clad bathing platform

supports tenders up to three hundred kilograms, allowing easy water access and launch. The saloon welcomes a high-quality folding table at the bar seating area, a saloon table that lowers manually with matching cushions, two eighty-liter twelve-volt refrigerators and a premium worktop, and the layout can expand with an additional cabin in the three-cabin version. Climate control is assured by Gulf air conditioning totaling 48,000 BTU, with one vent in the saloon, one in the inner saloon and one in each cabin. Finishing details include woodwork in whitewashed oak, Wenge flooring, cabin upholstery in Comfort Melang and cockpit upholstery in Suntex Diamond Stitching Ice/Carbon, water-repellent upholstered lounge covers fore and aft with fastening made in Germany, shading for the front and side windows and full antifouling for dependable hull protection. Tender operations are simplified with a dedicated compressor plus a Prowake TK-RIB330S tender and a Haswing Pulsar Ulitma 3.0 electric outboard motor powered by a LiPo high-performance battery rated at 1030 W, 29,6 V and 20,3 Ah. Outdoor living is elevated by an ENO Grill Vitroplancha 220 V electric ceramic grill in the cockpit, while safety and peace of mind are reinforced by six Skipper automatic lifejackets 300 N ISO with black harnesses and ten fenders.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
