DETAILED DESCRIPTION

SPECIFICATION

FJORD 490 OPEN, year built 2026 and model year 2027, is a new walkaround day cruiser in stock in Mandelieu-la-Napoule, France. The 15.03 m GRP hull and 4.58 m beam provide generous fore and aft sunbathing areas, a sheltered helm and an outdoor galley and dining area; opening electro-hydraulic side balconies extend the cockpit at anchor and a hydraulic submersible bathing platform provides easy access to the water. The hull bears number DE-HAN 60018 H627.

Propulsion is by two Volvo Penta IPS800 diesel IPS drives, each rated 600 hp, with joystick manoeuvring, bow thruster and Seakeeper 6 gyroscopic stabiliser. Navigation and communications equipment comprises two Simrad NSS evo3S 19-inch multifunction displays, Simrad RS100 VHF with antenna splitter, Simrad autopilot with electronic compass and MyFJORD Safety Cloud connectivity via the cellular network.

Electrical and domestic systems include 220/240 V shore power, battery charger, upgraded AGM battery capacity (2 × 90 Ah and 4 × 260 Ah), a sound-insulated Fischer Panda 12 kW generator, fresh-water deck wash connection and a waste-water holding tank. Climate control is reverse-cycle heating and air conditioning in the cabins with a second 220 V shore-power cable. The audio system is JL Audio MM50 with two JLM6 77X-L speakers in the cabin and two in the cockpit.

The accommodation comprises two double cabins in the A2 cabin layout with C2 cockpit layout, Lisboa Chestnut interior cabinetry, an additional access door to the toilet compartment and a comfort package featuring indirect cabin lighting, porthole blinds and four leather storage pockets. Galley equipment includes a ceramic hob and a refrigerator, with two refrigerated drawers

beneath the cockpit seating. Inventory notes fuel capacity of 1,500 litres and fresh water capacity of 390 litres. The asking price excludes VAT.

Deck equipment includes an electric anchor windlass with hydraulic deployment for the stainless-steel anchor and 100 m of stainless-steel chain plus chain counter, a retractable hydraulic gangway with remote control, electro-hydraulic opening balconies to port and starboard, an aft access gate to the bathing platform, hot and cold cockpit shower, cockpit table and outdoor dining area, two retractable cleats on the bathing platform for a light tender only, eight quick-release fender attachments with eight FJORD fenders, four multicolour underwater lights beneath the transom, a lighting package with dimmable indirect cockpit lighting, courtesy lights and USB-C socket, covers for helm and co-pilot seats, dashboard, sunpad, forward seating and cabin entrance, a T-top with electric bimini in white micro-perforated fabric, a raised windscreen extending to the T-top, a comfort bathing ladder and retractable access steps on the submersible bathing platform.

Photos illustrate the model and include different finishes and presentation views; the written specification and equipment list describe the boat offered for sale. Shestakov Yacht Sales is the listed broker.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
