OVERVIEW

The Beneteau Monte Carlo 5 is a flybridge motor yacht that radiates Mediterranean refinement, its lines and appointments promising graceful days at sea. A retractable cockpit awning gives guests the option of cool shade or open sun while reclining in the airy aft lounge, creating an ideal atmosphere for languid mornings or cruising through the golden hour. Inside, a serene neutral palette enhances the stream of natural light that fills the generous saloon, where a fully appointed galley serves a U-shaped settee arranged around a folding table—an inviting space for sunset cocktails or a relaxed meal for up to six. Forward, the foredeck becomes a private oasis, inviting untroubled relaxation and sunbathing on the sumptuous sunpad. The accommodation plan comprises three cabins: a tranquil full-beam owner's suite with an ensuite bathroom, two welcoming guest cabins, and a separate crew cabin, configuring the yacht for luxury charter, family cruising, and extended getaways aboard a premium motoryacht, powerboat, and flybridge yacht.
