OVERVIEW

The Absolute Navetta 48 captures Italian long range refinement in a compact, efficient semi displacement flybridge motor yacht, blending the poise of a luxury cruiser with assured passagemaking capability and the adventurous spirit of a pocket explorer yacht.

Privately held since delivery in 2019 by a single owner and cared for by a dedicated full time crew, she has been maintained with meticulous attention and today presents in exemplary, turnkey condition—an inviting family cruising yacht equally suited to comfortable liveaboard life.

Turkish flagged with Turkish VAT paid, this 2019 Absolute Navetta 48 offers clear advantages for buyers intending to cruise or base her along Turkey's famed Turquoise Coast. Available for inspection by appointment.

DETAILED DESCRIPTION

Specification - standard and optional extras

Driven by VOLVO PENTA twin D6-IPS600 engines delivering 2 × 320 kW — 2 × 435 HP, this specification marries Mediterranean liveability with long-range convenience and a meticulously selected equipment package: a 48,000 BTU Mediterranean air conditioning system, a head maneuvering propeller, a 17.5 kW generator, a 1,800 W inverter, a grill integrated into the flybridge wetbar unit, and a comprehensive lighting scheme that includes flybridge, deck, and underwater illumination. Comfort and access are elevated by an electro-hydraulic gangway, a hydraulic swimming platform, a starboard deck exit door, a deck wash tap, bathroom toilets equipped with bidet faucets, a dishwasher, an aft crew cabin, and a rigid flybridge hard top. Protection and shade are provided by covers for the pool area and side walkways as well as an electric sunshade awning over the pool, while precise handling and situational awareness are supported by chain counters at both the main station and flybridge plus cameras in the cockpit and engine room. Navigation and entertainment are enhanced by a second touchscreen Volvo EVC seven-inch display with autopilot on the flybridge and a premium sound system with Party Mode. Finishing details include teak coating on overheads and side walkways, teak veneer on the swimming platform, flybridge floor and flybridge steps, a Plexiglas windshield in the flybridge steering area, and ecru-colored head sunbeds with reclining back support and quick-drying finish, all combining to create a yacht that is both purposeful and inviting.

Interior & accommodation

Her interior exudes warmth and refined sophistication through contemporary Italian styling and expansive panoramic windows that flood the salon with

natural light, creating an inviting, airy living space appointed with stylish modern furniture and a dedicated dining area. The galley is thoughtfully positioned aft to allow effortless service to both the interior and the cockpit, and accommodation comprises three plus one cabins: a full-beam master stateroom with a private en-suite and walk-in wardrobe, a VIP double and a twin guest cabin that share a spacious guest head, together with a crew cabin featuring private facilities and separate stern access. Throughout the interior, refined joinery, premium fabrics, soft LED lighting, and ample storage combine to deliver a quietly luxurious atmosphere ideal for extended stays aboard.

Performance & system

Powered by twin Volvo Penta IPS600 drives, the Navetta 48 delivers smooth, efficient cruising and exceptional close-quarters control via joystick, offering a cruising speed of approximately 18 to 20 knots and a top speed of approximately 26 knots. Her semi-displacement hull form ensures stable and comfortable passages, with the efficiency and reliability needed to confidently undertake extended voyages while maintaining responsive handling and economical performance across a range of speeds.

Description & highlights

This Navetta 48 stands out for its exceptional level of care and presentation. Maintained by a dedicated full-time crew since delivery, she has been consistently serviced, washed, polished, and technically overseen with meticulous attention to every system and surface. All onboard systems are fully operational, interiors remain immaculate, and exterior teak, upholstery, and varnish are preserved in near-new condition. One owner since new, always privately used and never chartered, and managed continuously by a full-time crew, she is offered turnkey and ready for the next season,

representing an outstanding example of Absolute's renowned build quality and a yacht that presents as though she has just left the factory.
