## OVERVIEW

---

The PRESTIGE 500 is the embodiment of refined taste and inventive naval engineering, its taut, balanced silhouette announcing presence and confidence on the water. This 50-foot Flybridge Motor Yacht elevates expectations with an expansive Flybridge whose impressive proportions and thoughtful configuration redefine what a vessel of this size can offer.

Step aboard and a graceful, coherent interior reveals itself in two complementary expressions. A generous saloon occupies a single level, creating a light, loft-like atmosphere, while the aft galley is ideally situated to serve both cockpit and salon, making entertaining effortless. The owner's suite is consummate luxury: accessed independently for privacy, bathed in light from twin panoramic hull windows, furnished with abundant storage and finished with a spacious en-suite bathroom that includes a separate shower.

Propelled by advanced pod propulsion and shaped by forward-thinking design, the PRESTIGE 500 has earned more international awards than any other yacht in its size range, cementing its reputation among Luxury Motor Yachts, Flybridge Cruisers, and performance Power Yachts as a benchmark 50-foot cruiser that leads its class.
