DETAILED DESCRIPTION

Details

This 2010 Princess 50, VAT paid and presented in excellent condition, exemplifies the refinement, performance and comfort synonymous with the marque. Propulsion is provided by twin Volvo Penta D11-670 diesel engines, showing approximately 650 engine hours at the time of advertisement and controlled via electronic engine controls for precise, responsive handling. Manoeuvring is made simple by both bow and stern thrusters, while trim tabs allow fine adjustment of the ride. Onboard electrical autonomy is assured by an Onan generator, supported by a battery charger and shore power connection, and a hot water system adds effortless convenience for cruising life.

The navigation and electronics fit-out inspires confidence, featuring a Raymarine chartplotter/GPS, Raymarine autopilot, radar, VHF radio with DSC, depth sounder, speed and log instruments and a compass, all accessible from a dedicated flybridge navigation station that offers commanding visibility and control. On deck a dark cream flybridge bimini provides elegant shade, a hydraulic passerelle simplifies boarding and an electric anchor windlass with stainless steel anchor secures the yacht in place. Rich teak decks grace the cockpit and bathing platform, where a cockpit table creates an inviting alfresco dining area, complemented by a transom shower, swim ladder and the added versatility of a SUR Tender. The flybridge is arranged for entertaining and relaxation with a wet bar, ample seating, a generous sunpad and a helm cover to protect the instruments.

Interior comfort is ensured by air conditioning and leather upholstery in the saloon, while the fully equipped galley offers a refrigerator, freezer, ceramic hob and microwave, with a TV providing onboard entertainment.

Accommodation is thoughtfully laid out across three cabins and two bathrooms, fitted with electric toilets, hanging wardrobes and reading lights to ensure every journey aboard is as comfortable as it is indulgent.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
