## OVERVIEW

---

AZURE is a 2007 Cranchi 50 Mediterranea that marries signature Italian elegance with spirited performance and sumptuous onboard comfort. Built by the renowned Cranchi yard, this sleek 50-foot sport yacht and express cruiser showcases the yard's athletic silhouette, sensible layout and exemplary workmanship. Propelled by twin Volvo Penta D12 diesel engines rated at 800 hp each, AZURE offers responsive, accurate handling and a cruising consumption of roughly 45 gallons per hour, supported by the proven reliability of this long-standing propulsion package.

Designed to deliver both stability and flexibility, she is perfectly suited to exploring the crystalline waters of the Caribbean. Her 423-gallon fuel capacity together with a 132-gallon fresh water tank allow for relaxed, extended passages, while a Fischer Panda 15KW generator ensures full onboard autonomy. Built and outfitted to Category B standards for confident offshore operation, AZURE is currently lying in Cancun and flies the Polish flag, representing an exceptional prospect for private ownership or as a luxury charter platform in one of the world's most desirable cruising regions.
