DETAILED DESCRIPTION

Full description

Experience the harmony of power, style, and comfort aboard this Atlantis 50, originally built in 2007 and comprehensively refitted in 2023. Created for connoisseurs of luxurious cruising and spirited performance, it delivers a thrilling ride without ever compromising on elegance. Driven by high performance engines, the Atlantis 50 achieves approximately 32–35 knots at the top end, with a relaxed, efficient cruising speed of 24–26 knots; its deep V hull unlocks superb stability and reassuringly smooth handling even as the pace rises, turning every passage—whether carving across open water or tracing a sunlit coastline—into an experience of pure freedom and adrenaline. The 2023 refit has elevated the yacht to a contemporary standard, introducing upgraded interiors, refreshed upholstery, enhanced lighting, and improved onboard systems. Above deck, a spacious cockpit and inviting sunbathing areas set the stage for effortless entertaining, while below well appointed cabins, a stylish saloon, and a fully equipped galley make extended stays as comfortable as they are memorable. Blending Italian craftsmanship with performance driven engineering, this Atlantis 50 is equally at home in private ownership or charter service, turnkey, meticulously maintained, and unequivocally ready to deliver luxury and excitement on the water.
