## OVERVIEW

---

Are you prepared to trade the ordinary for wide-open horizons? DULZURA, a lustrous Sunseeker Predator 50, marries the polish of a luxury motor yacht with the pulse of a sport yacht, an express cruiser equally at ease on a spontaneous run across glass-still bays or on extended coastal passages — picture the Bahamas, the Caribbean, the Great Loop, or an elegant weekend up the shore. She carries a hardtop coupe silhouette and performance-cruiser confidence, presenting an effortless elegance that invites both bold sprints and leisurely voyages.

Meticulously maintained inside and out, DULZURA is propelled by twin Volvo D8 600 hp diesels with approximately 600 hours, their power governed through Volvo electronic throttles and an intuitive joystick docking system that makes close maneuvers feel instinctive. Side-Power bow and stern thrusters give fingertip precision when you need it, while an Onan 11 kW generator and comprehensive ship systems keep life aboard quiet, cool, and self-sufficient. At the helm the instrumentation is seamlessly integrated: dual Garmin touch-screen multifunction displays that combine chartplotter, color radar, and autopilot sit at the center, accompanied by a Garmin VHF, a rudder angle indicator, a Ritchie magnetic compass, trim-tab control, windshield wiper/washer functions, and windlass control all within easy reach. A Sea-Fire alarm and override panel underscores the yacht's thoughtful commitment to safety and reliability.

The main deck is where DULZURA reveals her character. A full-length electric sunroof and fully opening cockpit glazing dissolve the barrier between salon and sea, flooding interiors with sunlight and fresh air and framing panoramic views through expansive windows. The salon's open plan encourages conversation and fluid movement forward to the helm or aft to the social cockpit. Step outside and the cockpit offers plush seating, a convivial dining

area, and a generous sun-lounge that welcomes languid afternoons. A hydraulic swim platform lowers to the water for effortless tender launches and carefree swimming, while the integrated transom garage keeps your toys neatly stowed until adventure calls. Engage beach-club mode and the stern transforms into an alfresco retreat with a built-in barbecue, a fold-down bench, and an overhead shower — a private resort at any anchorage.

Forward, the foredeck offers wide sun pads with adjustable backrests, an ideal perch for sunrise coffee, afternoon repose, or starlit conversation, with storage beneath to keep deck gear tidy and ready. Below decks the theme of light and space continues: a lower dinette and two serene staterooms use refined materials and calm design to create restful havens. The full-beam master amidships is a sanctuary, appointed with a queen berth, generous hanging lockers, a vanity/desk, and striking triple-mullioned picture windows that bathe the suite in natural light, completed by a stylish en-suite head. The forward VIP cleverly adapts with a V-berth that slides together to form an island double or separates into twin berths, with direct access to the en-suite/day head.

Between the two cabins and the convertible dinette you have comfortable accommodations for four plus the flexibility to host occasional guests, making DULZURA equally suited to intimate escapes or family adventures.

Culinary life aboard is well served by the pristine galley, positioned forward and to port on the main level so the chef remains part of the conversation. Rich wood cabinetry and solid-surface counters provide a refined, practical workspace with abundant storage, a large refrigerator, a two-burner electric cooktop, a microwave, and a dishwasher that together make meal preparation effortless — whether it's a quick post-swim snack or a candlelit dinner under the stars. With clear sightlines to the helm and salon, the galley becomes part of the social flow of daily life aboard.

Underway the Predator 50 hull delivers the poised, confident ride Sunseeker is famed for: quiet, composed, and sure-footed, turning each passage into part

of the pleasure. Elegant yet athletic, DULZURA excels whether sprinting between harbors or settling into sustained voyaging — a bluewater-capable powerboat with coastal-cruiser manners and sport-cruiser flair. Her equipment list reads like a thoughtful wish list: Volvo joystick controls for stress-free docking, Side-Power thrusters for precision, Garmin navigation for complete situational awareness, an Onan generator for independent comfort, and a hydraulic bathing platform paired with a tender garage for seamless days on the water. Included is a 2022 10'8" Inmar Marine center-console RIB tender powered by a 20 hp Honda, perfect for harbor hops, sandy shorelines, and spontaneous sunset excursions.

From the airy hardtop coupe profile to the inviting beach-club transom and tranquil staterooms, DULZURA elevates every moment afloat. She is a polished, turn-key performance cruiser — an express yacht that makes adventure feel easy, indulgent, and utterly within reach. If your next chapter includes turquoise anchorages, bustling ports, and the freedom to roam in style, DULZURA is ready to carry you there now, embodying sport yacht, express cruiser, luxury motor yacht, performance cruiser, and hardtop coupe all at once with grace and authority.
