OVERVIEW

50 FLY 2019 — factory-direct listing, only 513 hours

This Azimut 50 Fly, built in 2019, is offered directly from the factory and has been fastidiously maintained, presenting as a turnkey flybridge yacht ready for day trips, weekend getaways, or extended coastal passages. Presenting with just 513 engine hours, the vessel is being offered with three immediate extras: a fresh antifouling bottom coat, all anodes replaced, and a complete topside compound and wax, ensuring she is cosmetically refreshed and protected beneath the waterline.

Stefano Righini's timeless exterior lines give the hull an elegant, purposeful stance, while the expansive flybridge creates an open-air living room aloft, appointed with sunpads, an alfresco dining area, and a wet bar—an ideal arrangement for entertaining beneath panoramic views. Inside, Carlo Galeazzi's luminous, contemporary interior welcomes you with floor-to-ceiling glazing that bathes the salon in natural light. The airy, open-plan salon flows effortlessly into a comfortable lounge, a dedicated dinette and a fully equipped galley, all finished in premium materials that reflect refined Italian craftsmanship.

Below decks, accommodation is arranged in three cabins to sleep six in comfort. A full-beam master suite affords generous volume and a private ensuite, joined by a forward VIP cabin and a flexible twin guest cabin. A separate crew cabin adds practical versatility for longer voyages. Propulsion comes from twin Volvo Penta D11s (670 hp each), delivering smooth, efficient cruising, responsive handling and a top speed approaching 31 knots—an accomplished family flybridge cruiser poised for its next adventure.

DETAILED DESCRIPTION

Description

Factory listing: Azimut 50 Fly 2019 with only 513 hours. Act quickly—bring an offer soon and you will receive three valuable bonuses: fresh bottom paint, complete zinc replacement, and a full topside polish and wax. The Azimut 50 Fly is among the brand's most celebrated models, harmonizing sleek Italian design, confident performance, and effortless onboard living. This 2019 example has been maintained to high standards and is fully equipped for both short cruising and extended voyages. Exterior lines by Stefano Righini deliver timeless elegance, while the expansive flybridge becomes the social heart of the yacht, with generous sunpads, a convivial dining area, and a wet bar set for panoramic entertaining. Inside, bright, contemporary interiors by Carlo Galeazzi welcome you into a salon bathed in natural light through large windows, enhancing the open-plan layout with a comfortable lounge, dedicated dining space, and a fully equipped galley—everywhere you look, fine materials and Italian craftsmanship stand out. Below deck, the three-stateroom layout comfortably accommodates six guests: a full-beam master suite with ensuite bathroom takes center stage, complemented by a VIP cabin forward and a twin guest cabin for flexible family living; a separate crew cabin adds further practicality. Powered by twin Volvo D11 engines (670 hp each), she delivers an efficient, smooth cruising experience with responsive handling and a top speed of around 31 knots.

Key features:

The yacht's essentials are finely curated for life at sea: a three-stateroom layout plus a crew cabin ensures generous accommodation; a spacious flybridge invites lingering with broad sunpads, a welcoming dining area, and a

wet bar; the salon is filled with light through panoramic windows; timeless Italian styling by Azimut Yachts elevates every line and surface; twin Volvo D11 engines rated at 725 hp deliver purposeful thrust; and a full-beam master suite with an ensuite bathroom encapsulates private luxury. Altogether, this 2019 Azimut 50 Fly blends luxury, performance, and functionality into one of the most desirable flybridge yachts in her class, ready to be enjoyed immediately.

Propulsion

Propulsion is provided by twin inboard Volvo Penta diesels. Engine 1 is a Volvo Penta D11, model year 2019, specified at 725 hp with 513 hours. Engine 2 lists make Volvo Penta and model Volvo Penta D11, also model year 2019, likewise specified at 725 hp with 513 hours. The inboard configuration enhances balance and handling while delivering smooth, confident acceleration across the power band.

Specifications

Measured with precision, the yacht spans a length overall of 52.75 ft with a beam of 15.25 ft. Hull material is listed as other. Tankage includes fresh water capacity of 155.9 gal and fuel capacity of 581 gal, along with a holding tank whose capacity is not specified in this listing. Accommodations comprise three guest cabins served by two guest heads, while the crew quarters provide two cabins and one head.
